NATIONAL EVENTS Mold Our Lives

Part of the highlights of this year consists of current events. One such current event was the presidential election, top right. The candidates were Republican Richard Nixon, Democratic Hubert Humphrey, and, for the American Independent Party, George Wallace. Also pictured are Chet Huntley (left) and David Brinkley (right). Another event occurred in Vietnam. Bottom left, Raymond Burr is seen talking with servicemen aboard a hospital ship in the harbor of Danang, South Vietnam. Bottom right, news reporter Frank McGee (with sunglasses) is shown with our troops in enemy territory in South Vietnam.

ANTICIPATION

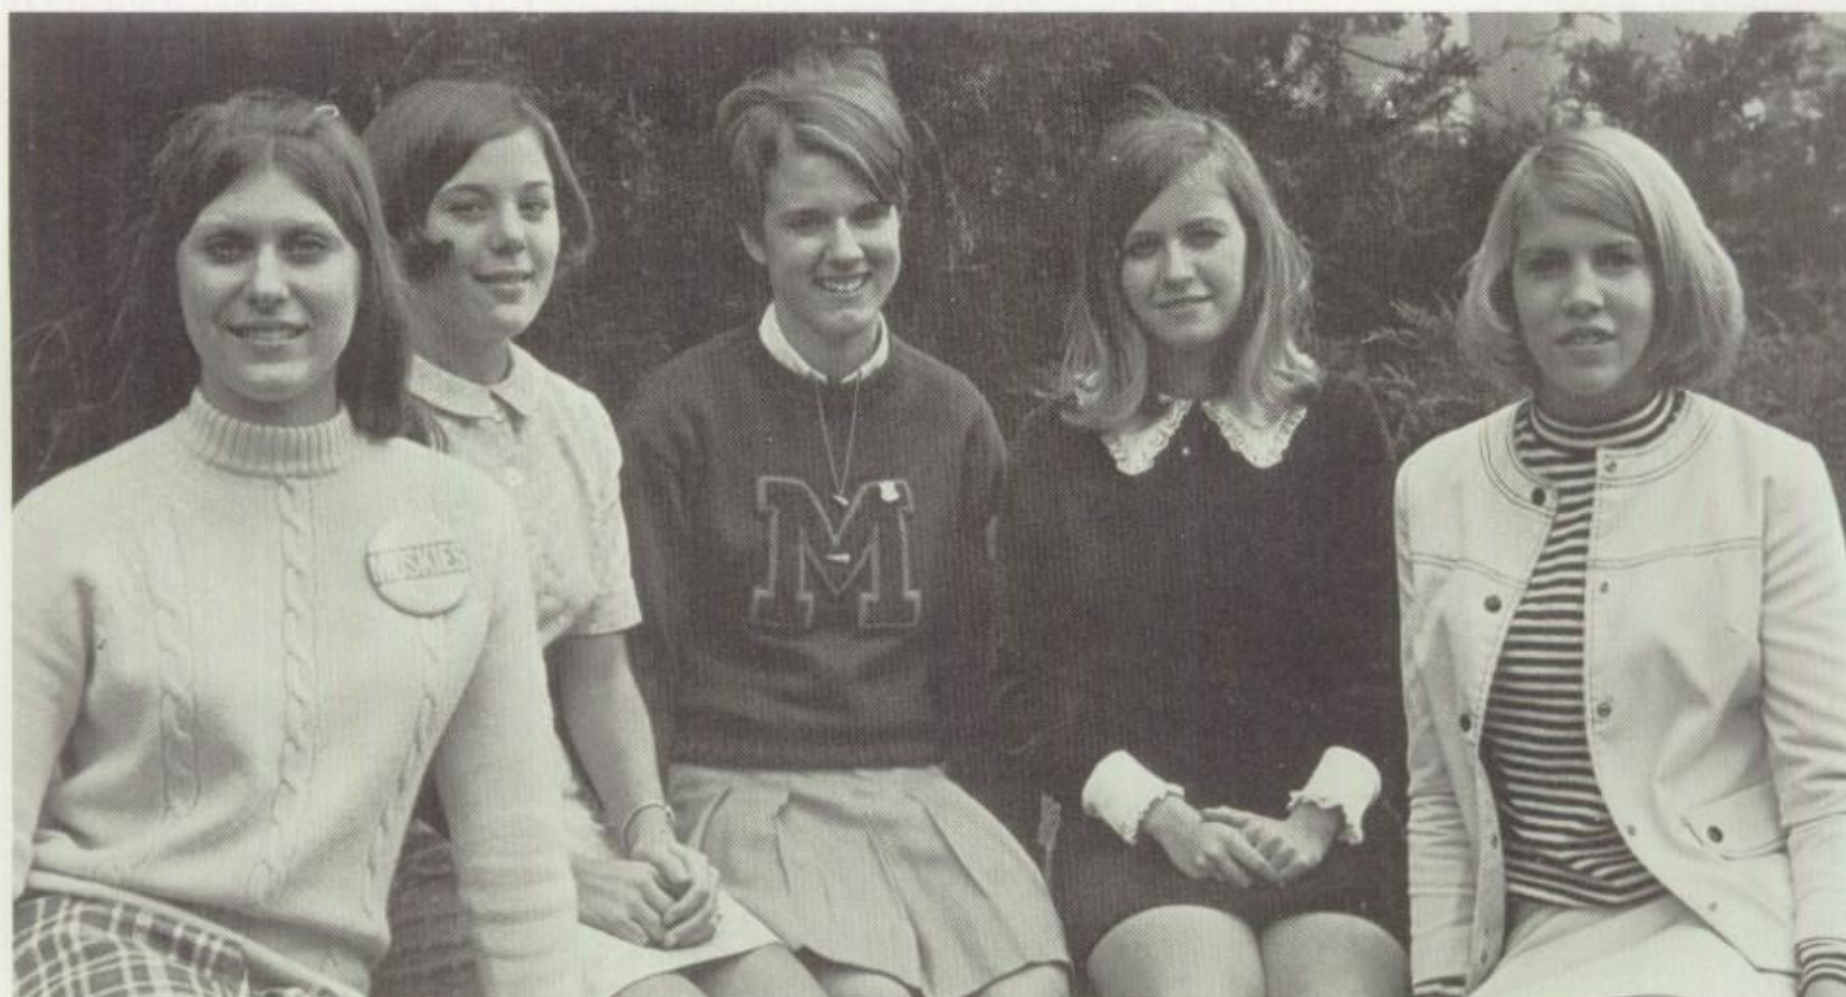

Accompanies Homecoming '68 Week

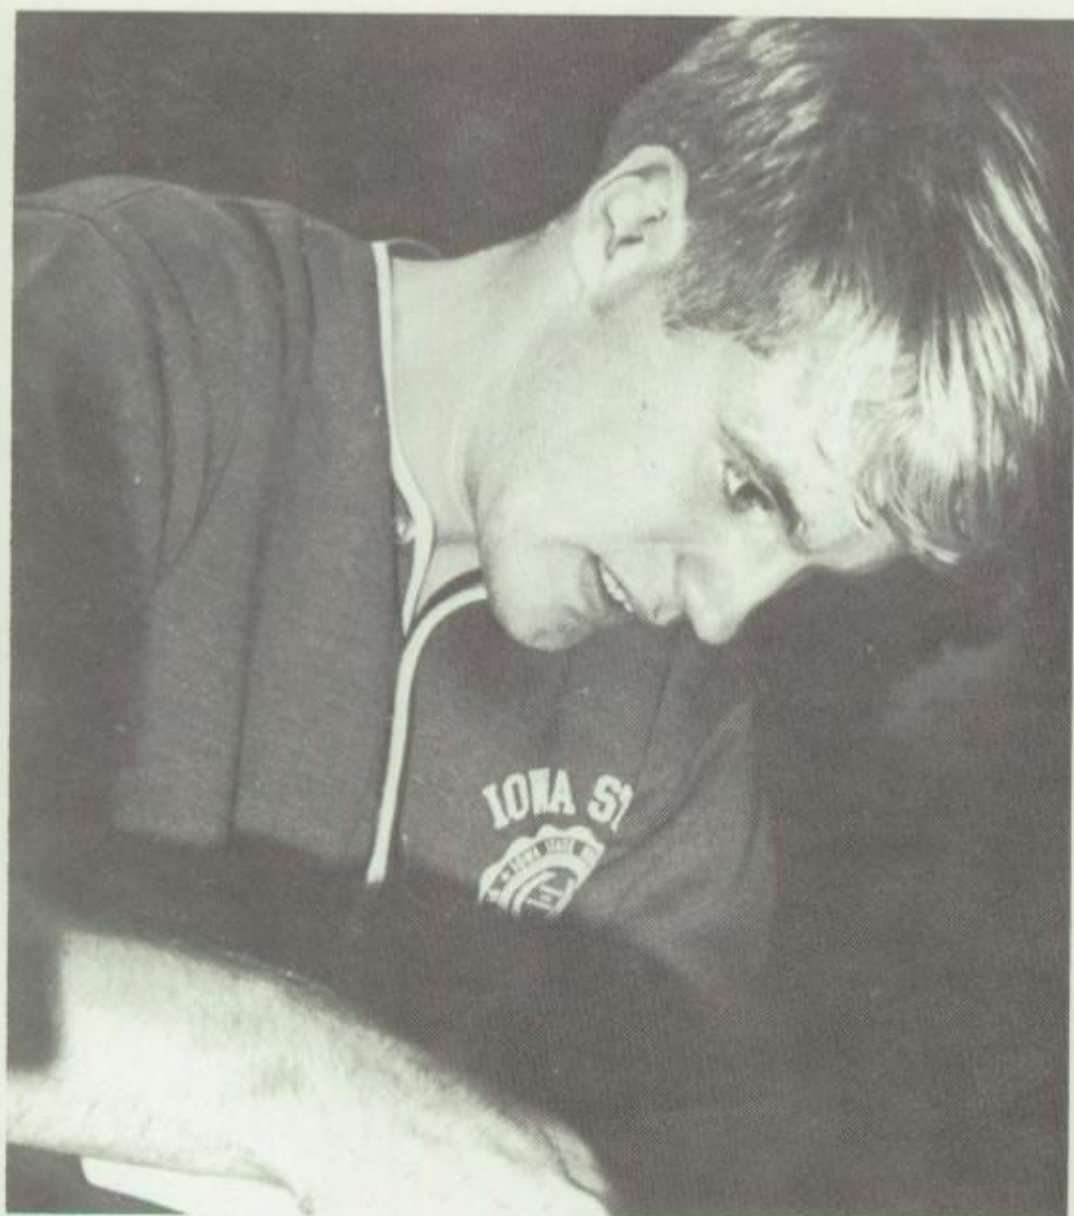

Eager Muskies looked forward to Homecoming 1968 during the final week of preparations. The Homecoming activities began when the ten semi-finalists were chosen. The sophomore class filled the halls with purple and gold streamers and each activity displayed a poster. Heinz Field was decorated Friday morning by the junior class who carried out the theme of "This is Muskie Country." This year the senior class posted victory signs along the Ottumwa bus route during their morning study halls and civics classes. Throughout the week committees worked on the class floats.

The Homecoming preparations ended October 3 with the traditional bon-fire and tug-of-war won by the senior guys.

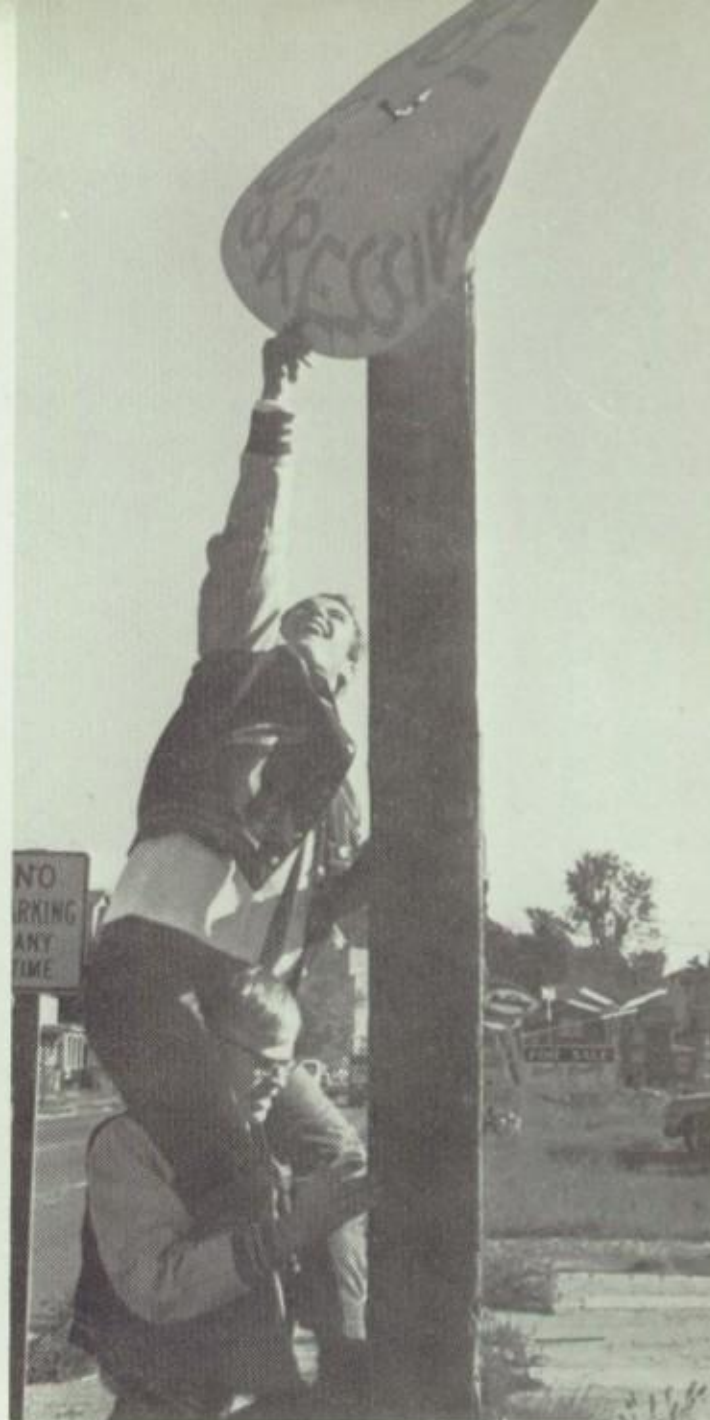

t Finley helped the Junior class decorate Heinz field. Here she is posting a "This is Muskie Country" sign.

Semi-finalists for Queen were: *Anne Jackson, Diane Bunker, Becky Fear, Janice Mosier, and Jan Fisher.*

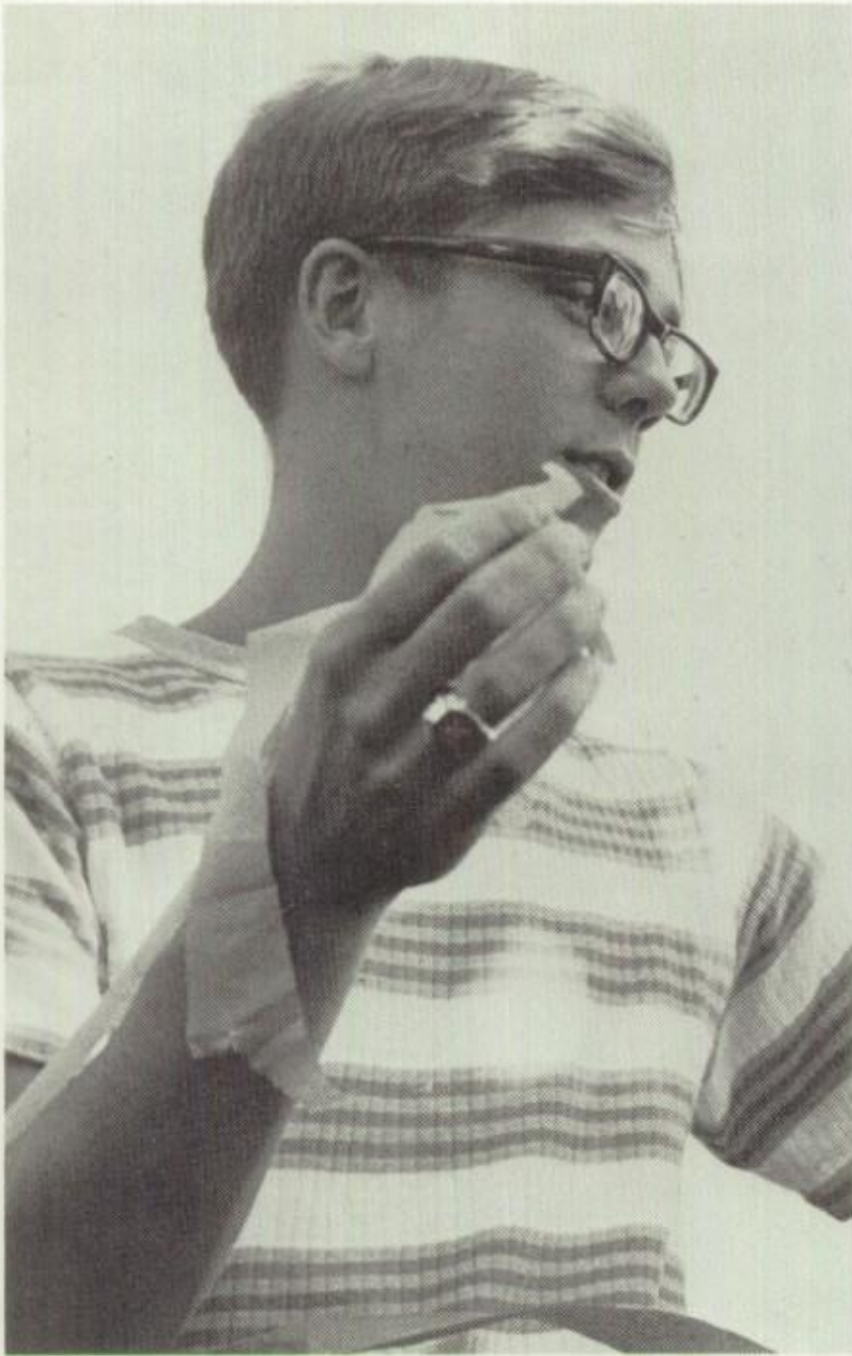

The floats needed the muscles of guys (above) and the patience of girls (below).

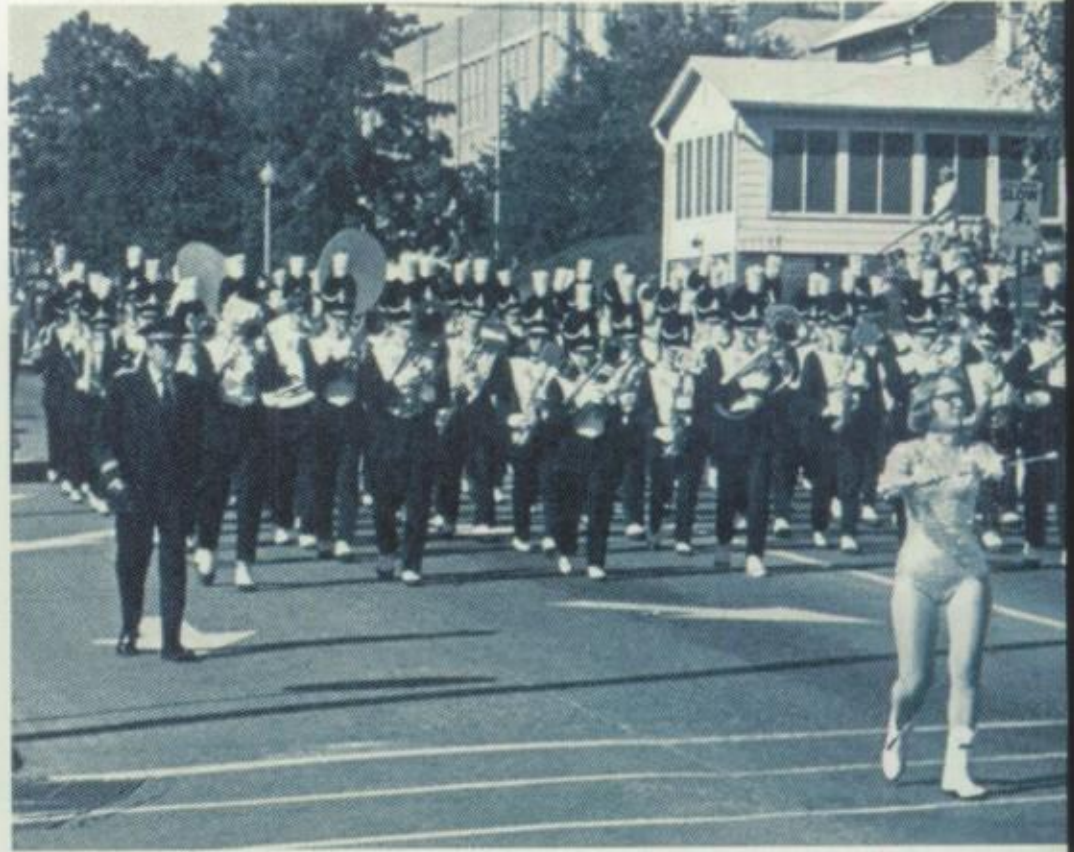

Some victory signs were hard to post.

Beth Ratcliff adds a finishing touch to the senior float.

Bob Dahl acted as assistant parade marshal.

HOMECOMING Adds Excitement to 68-69 School Year

Queen Rose Jewett and her court took their places of honor on the Queen's float.

The Sophomores warned us that "it's time for a victory."

The Juniors wanted the Muskies to "de-feet the Bulldogs."

Weeks of preparation were displayed when the 1968 Homecoming parade was presented October 4. The parade followed the pep assembly held in the high school auditorium. Leading the parade was the MHS marching band. The cheerleaders, pom-pom girls, class floats, and Queen's float followed. The 1968 football team passed by in convertibles. The parade ended after it passed through the downtown business district.

The Class of 69 wanted to stone the Ottumwa Bulldogs.

An unexpected moment,

ROSE JEWETT REIGNS

As 1968 MHS Queen

The Homecoming activities were brought into full swing October 4 when Rose Jewett was crowned Queen. The coronation took place during the afternoon pep assembly.

That evening Muscatine was host to Ottumwa. According to tradition, this was a Little Six Conference game. Queen Rose and her court were presented in convertibles during the half-time activities. The marching band and pom-pom girls presented the rest of the half-time entertainment.

Climaxing Homecoming was the dance held in Jefferson Gymnasium after the game. Although the dance ended at 11:30, the remembrances of Homecoming 1968 will be lasting memories in the minds of all Muskies.

PLAYS, ASSEMBLIES Add to Muskie Life

Many times during the school year the constant pace of education was broken by entertainers who performed on the MHS stage. Whether in the form of pep assemblies, special services assemblies, or plays performed by the Village Players, all activities aroused the interest of Muskie students.

On October 16 Mrs. Paula Bishop gave a presentation on the White House and the First Ladies. *The Lion, the Witch, and the Wardrobe*, a children's play was presented October 19 under the student direction of Ruth Jones. Another children's play, entitled *Popcorn Pete Goes to the Moon*, was presented on February 1. Throughout the year various athletic organizations were cheered to a victory during afternoon pep assemblies.

By unveiling a variety of personalities before students and teachers, the assemblies broadened each person's horizons.

Make-up crews spend long hours striving for perfection.

CHORUS

Presents "Once Upon a Yesterday"

John Hocking warned, "Don't Let a Parent in your Life."

Terry Nyenhuis and Pat Bloom strolled "By the Light of the Silvery Moon."

The "shag line" provided entertainment during scenery changes.

Queen of Hearts candidates were Jan Duggan, Cathy Kautz, Bonnie Thatcher, Holly Anderson, Queen Shirley Daufeldt, and Cheryl Snyder.

QUEEN OF HEARTS

Adds Romantic Touch to February Activities

A "Queen's Dance" was dedicated to Queen Shirley Daufeldt and her escort.

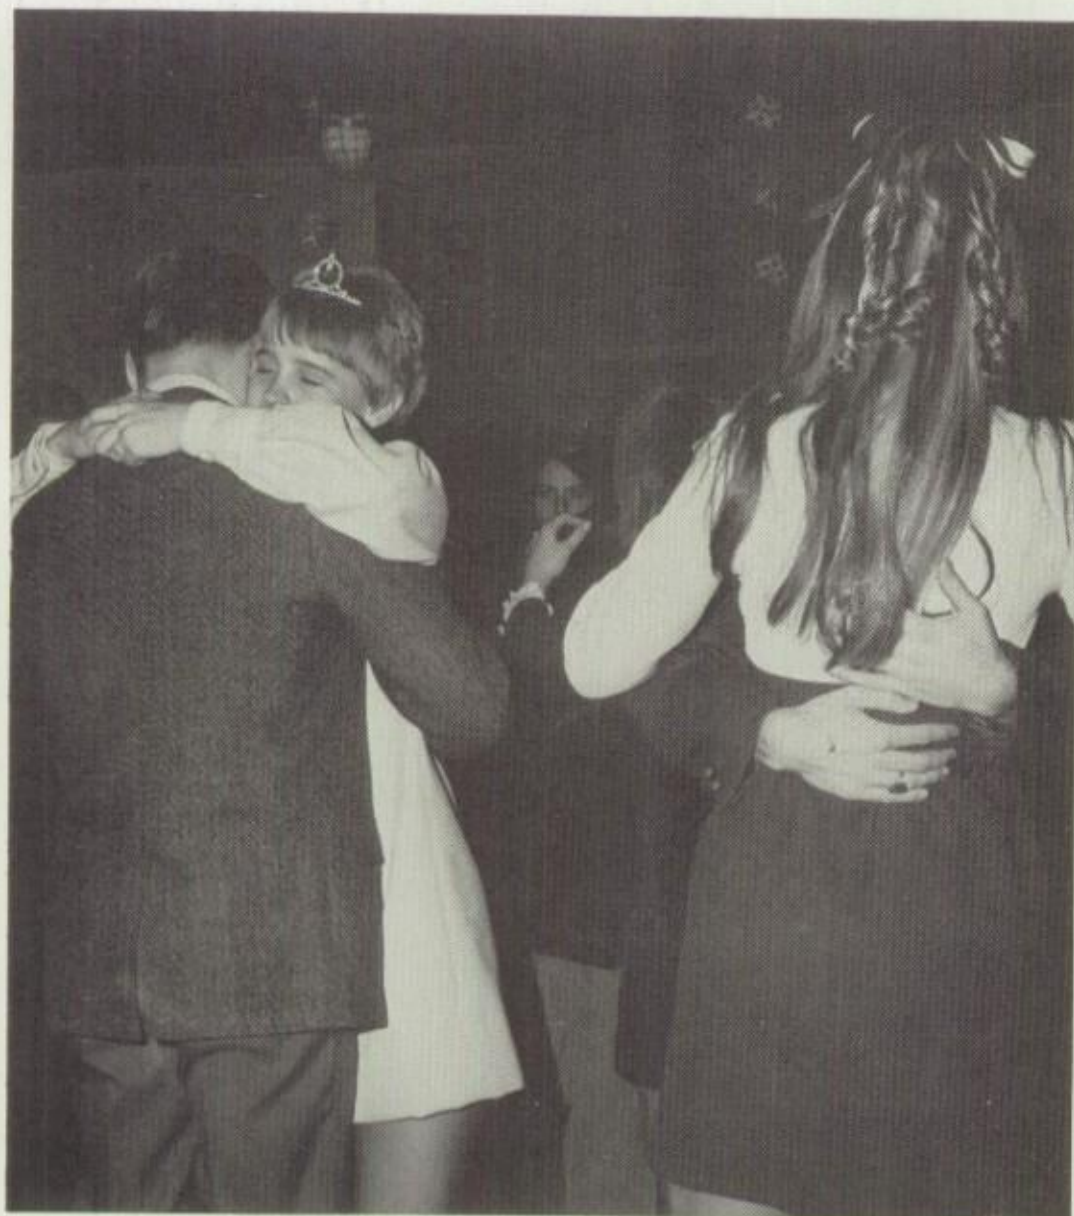

The YWCA gymnasium was decorated with red hearts for the annual Queen of Hearts dance on February 14. The dance was sponsored by the Amicae Y-Teen club. The six candidates were nominated during a special meeting of the club. Voting was conducted at the dance until 10:00. Karen Kaeding, the 1968 Mardis Gras Queen, crowned the 1969 Queen of Hearts, Shirley Daufeldt.

Music for the dance was provided by the "Tributes" from Iowa City. The dance climaxed the activities of the 1969 Valentine weekend.

A new addition was added to the Pep Club activities this year. A Turkey Gobbler dance was held November 22 after the Muscatine basketball victory over Clinton. The eleven senior candidates were nominated at a Pep Club meeting. MHS students cast their votes for Turkey Gobbler King by placing pennies in the respective candidates boxes. The climax of the dance was the announcement of Harry Koch as 1968 Turkey Gobbler King.

These points were awarded for all types of drama work, including acting in plays, directing, and working backstage with props, make-up, costumes, scenery, and lighting. Drama members strove to obtain points with Thespian membership as their ultimate goal.

One of the highest honors that a public speaker can obtain is a degree in NFL, National Forensic League. NFL gave points to MHS students as they presented various types of speeches. These points were recorded in the national office in Ripon, Wisconsin. Debaters spent long hours preparing cases and exploring the areas of oratory and extemporaneous speaking. The final objective was to earn NFL points.

YOUTH FOR UNDERSTANDING

Promotes Peace and International Relations

Kris Toyne and Shirley Roudybush display Scandinavian souvenirs (above), and native costumes are worn by Jan Fisher and Tina Meyer (below).

German mugs and wooden shoes are discussed by Cindi Schauland and Mary Spencer.

Six senior girls spent the summer abroad under the Youth for Understanding program. Travel became a way of life for Mary Spencer, who went to Warnsveld, Holland, and Shirley Roudybush, who went to Hyvinkaa, Finland. Scandinavia was the destination of Jan Fisher, who went to Lyskel, Sweden, and Kris Toyne, who went to Denmark. Santiago, Chile, was visited by Tina Meyer, and Cindi Schauland journeyed to Viechtahlm Germany. Many ideas were exchanged with their "families," and lasting friendships were made. With suitcases filled with souvenirs, they returned ready to relate their experiences to old friends at home.

Exchange students Carol and Claudia exchange ideas and souvenirs from their homelands.

MHS STUDENTS

Welcome Claudia and Carol to Muscatine

Claudia Kolling and Ann Gminski take a glimpse of the MHS students.

Enthusiastic Claudia Kolling quickly adapted to the fast pace of Muskie life. From Munich, Germany, Claudia made her home with the Eugene Gminski family. Claudia became an active part of the MHS activities. She won numerous debate awards. When asked about the Muskie students, she commented that they were all so friendly since few of them knew her.

Carol Lovell-Shippey came to Muscatine from Eshowe, Zululand, South Africa, during the second semester. Sponsored by the Rotary International Youth Exchange, she is staying with the John Rigler family. Carol was greeted by a snow storm, a new sight to her, when she arrived.

Scott Ingstad, Steve Ziegenhorn, Ed Berry, Harry Koch, Doug Randleman, Ken Ramer.

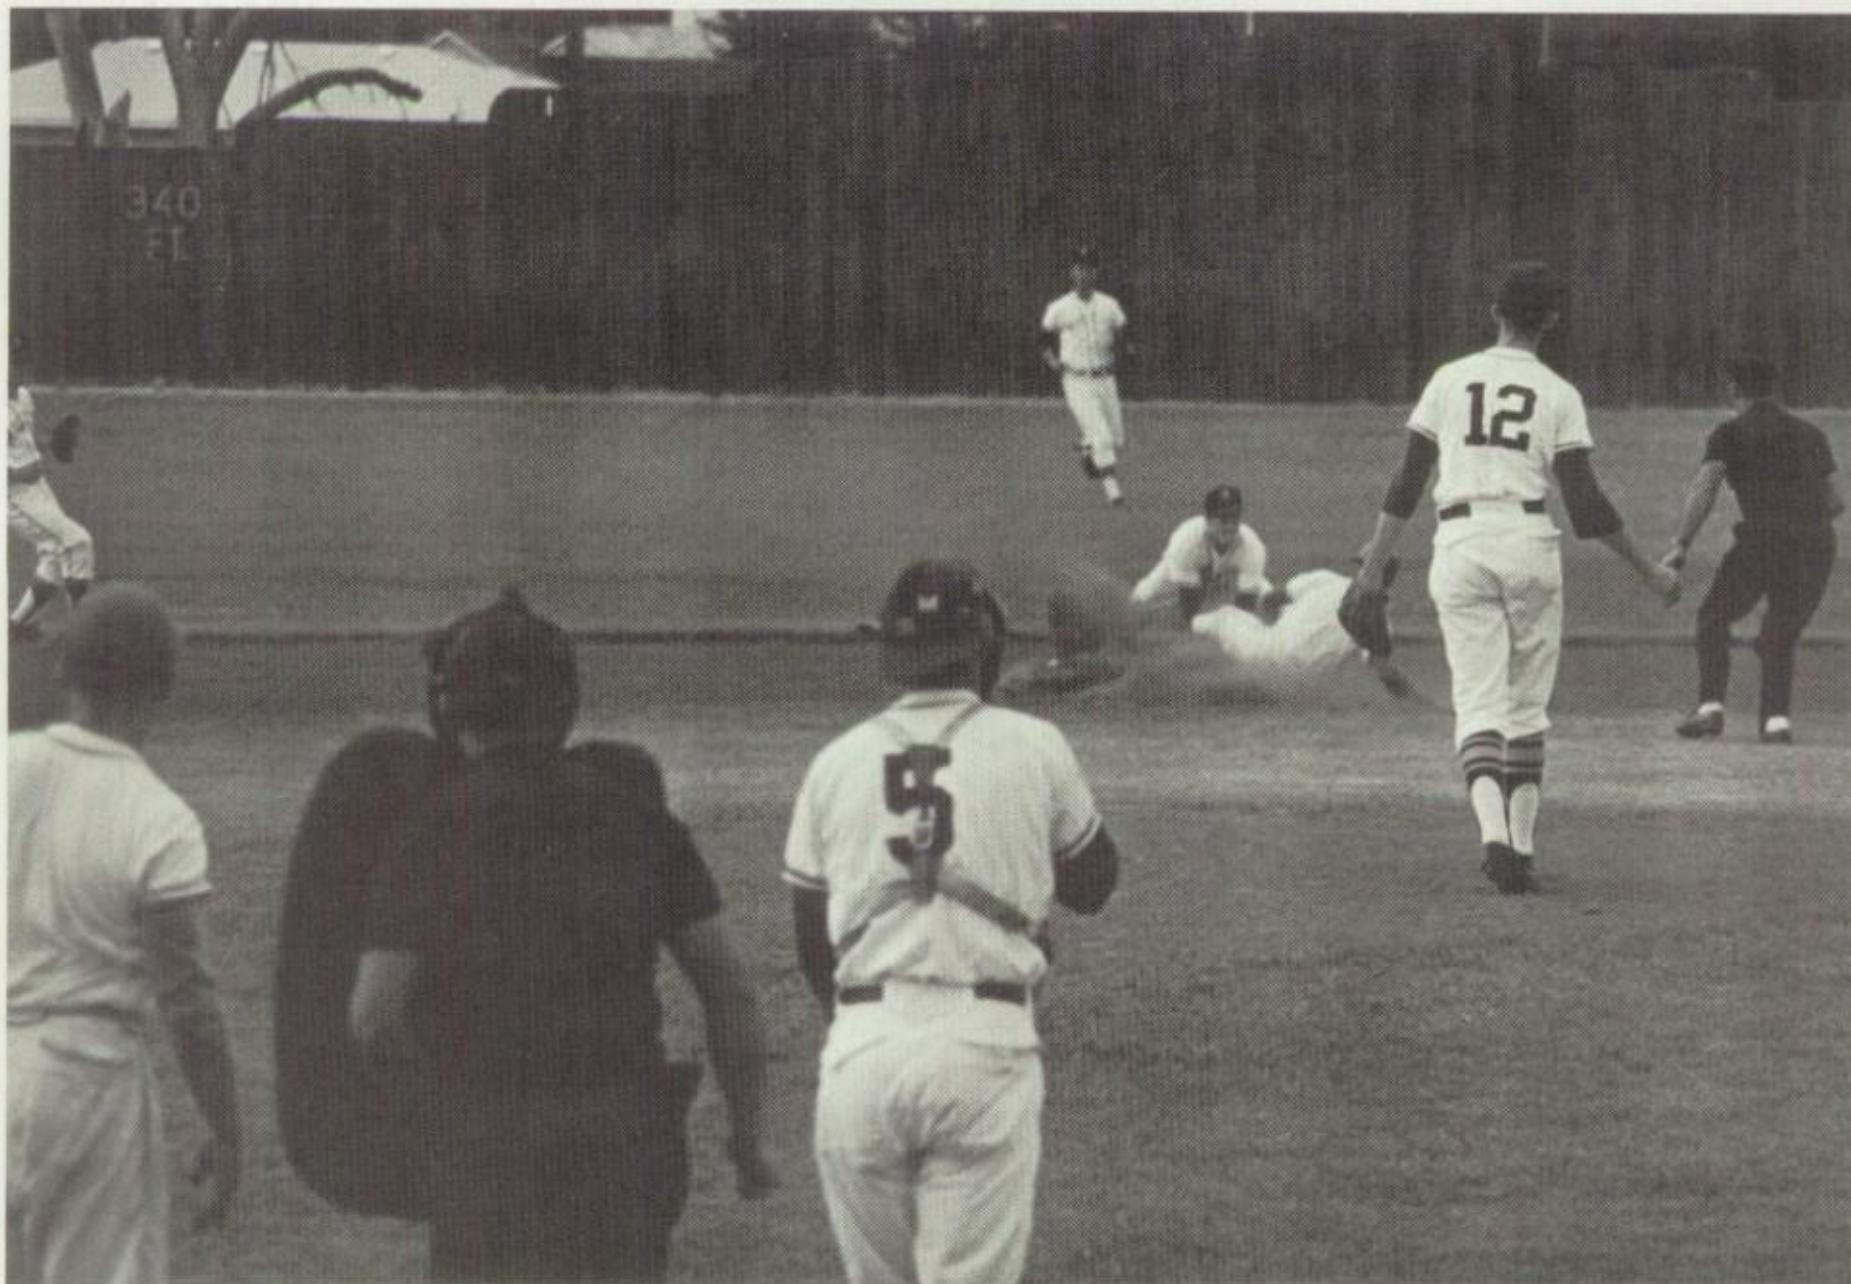

In a season that included a game almost every night, coach Reifert's team fared better than its record indicates. Eight of its losses were to two powerful teams, the Assumption Knights and the Riverside Brookfield team from Chicago. Our baseball team started the season off by winning four out of five games. The most impressive of these games was a victory over one of the state's best teams, Burlington.

As the season progressed, the wins were fewer. But as in any sport, there were several unforgettable nights. One game was against Hayes Catholic High, when senior pitcher Steve Ziegenhorn came one out away from a no-hitter. A swinging bunt that was ruled a hit wrecked his bid. The eleven returning lettermen should bring much success to the Muskies.

The strain of a long, trying season shows on the face of Coach Reifert in the late innings of the Muskies' final game.

SOPHOMORES

Have Best Record in Ten Years, 6—1

This year the 1968-69 sophomore football squad was under the direction of Coach John Bock and assistant coaches Ron Kiser and Bob McNeil. Their 6—1 mark was the best soph grid record in a decade. The only loss was to the newly formed school, Iowa City West. The Muskies will meet West again next year as varsity squads in the Mississippi Valley Conference. A powerful offensive and a strong defensive were the sophs strong points as they outscored their opponents 178—58. Almost half of the points scored against them were made when they met Bettendorf in their first game of the season.

Soph Bob Vargus saw extensive action on the varsity this season.

FIRST SEASON

Under Astleford Considered Success

The gridders finished their '68-'69 campaign in a disheartening way—losing to conference champion Bettendorf 62—26. This was a hard way to end a season in which great strides were made in football. The hopes of many people were raised by this team in their last season of the Little Six Conference. A fourteen game losing streak was snapped with a victory over Ft. Madison. They no longer saw one-sided games in which Muscatine was usually trounced. They saw a team that displayed tremendous spirit, pride, and a fierce desire to win and to be able to come off the field proud that they were the Muskie Football team.

TROPHIES

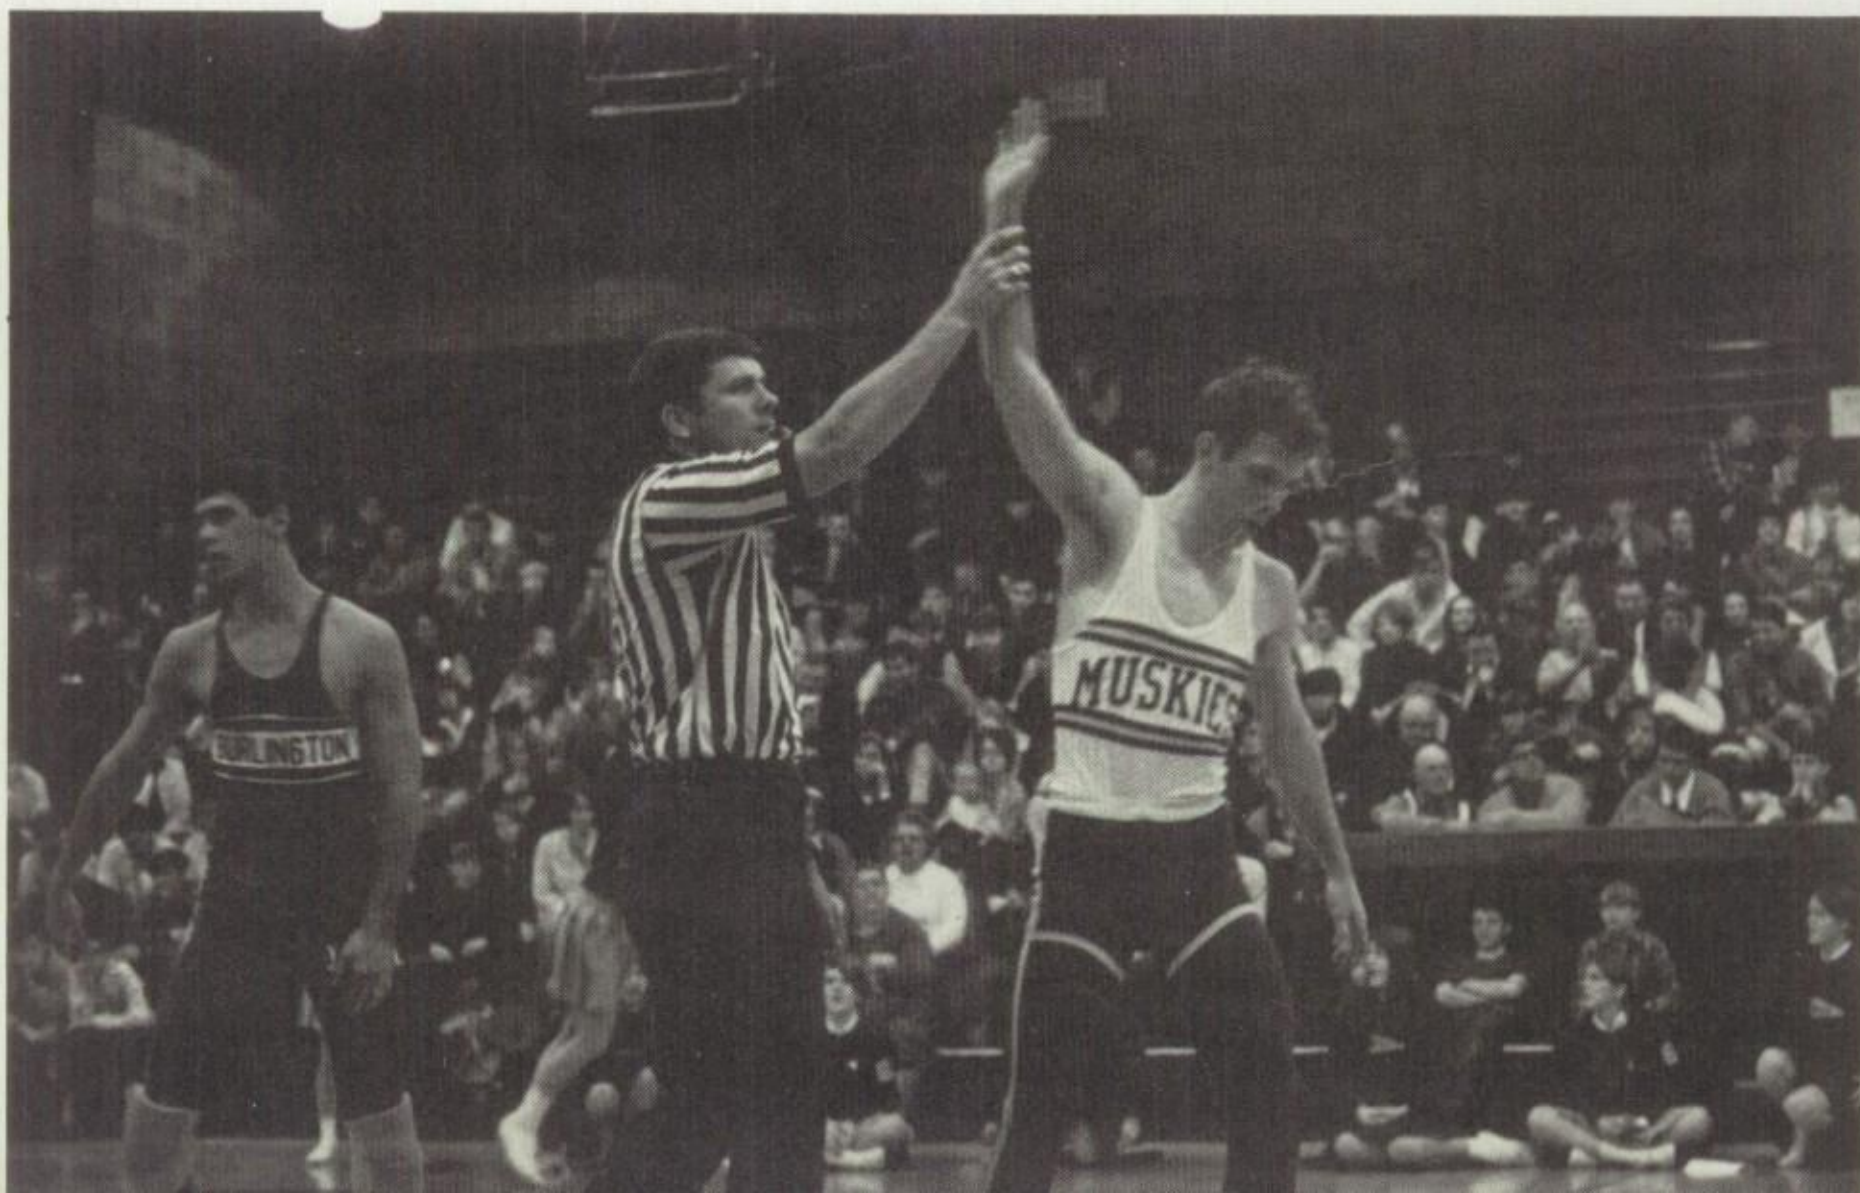

Congratulate Outstanding Students at MHS

Above, Rose Jewett is the recipient of the Masterson Cup. Below, Marv Logel displays his wrestling ability for which he received the Larry Rick Memorial Trophy.

The Larry Rick Memorial Trophy was added this year to be given to an outstanding senior wrestler. Marv Logel received the trophy for exhibiting perseverance, sportsmanship, team spirit, courage, and enthusiasm—traits shown by Larry.

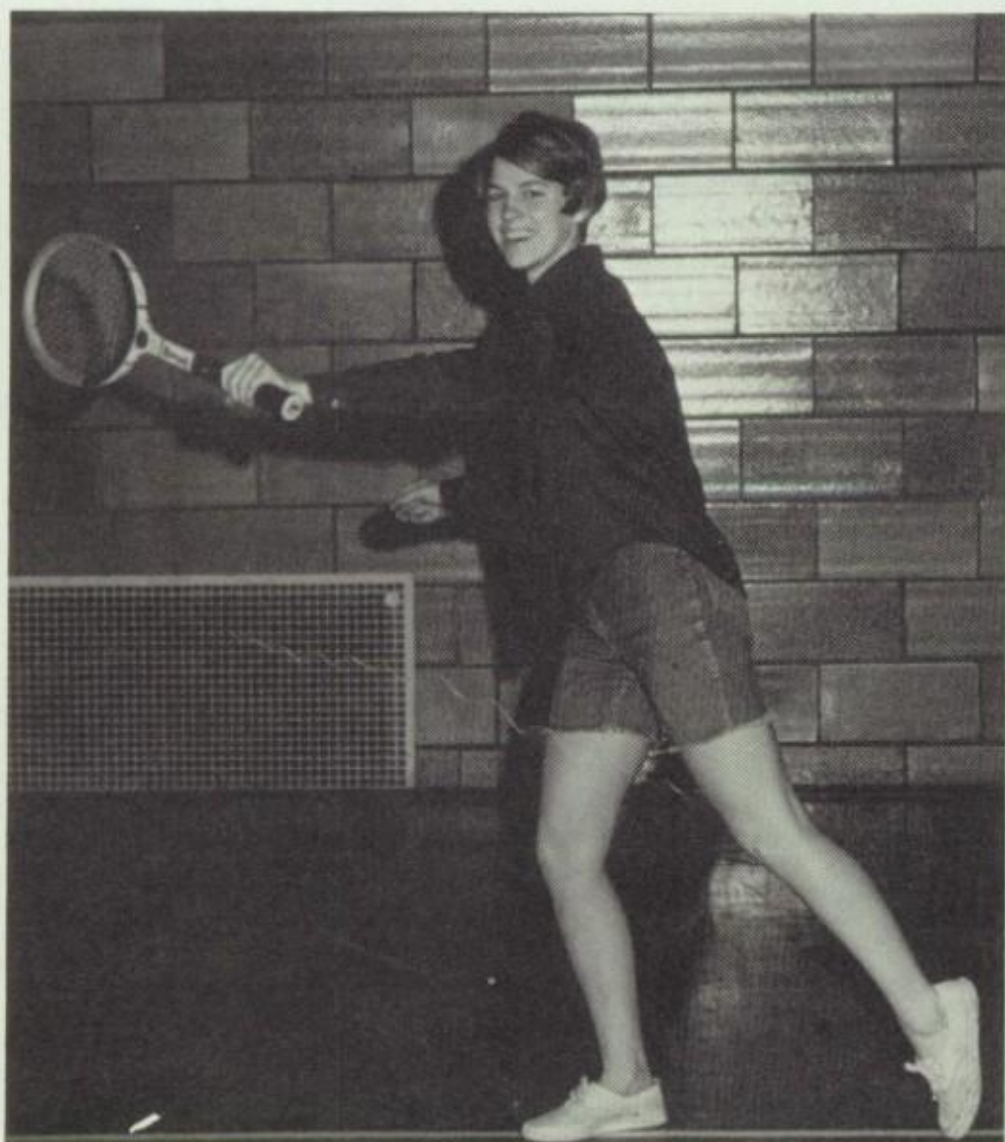

Rose Jewett was presented the Tom Masterson Cup because of her contributions as an outstanding senior. The Bill Roach Trophy, awarded to an excellent football player, was given to Ed Barry. Harry Koch was the recipient of the Norm Perkins Trophy, given for the most improvement shown in basketball in the three years at Muskie. The Paul Hanson Trophy honors an outstanding basketball player. Scott Ingstad received the award this year. Karen Burmeister earned the GRA Trophy in her senior year.

MUSKIES

Finish Season One Game Above .500, 10—9

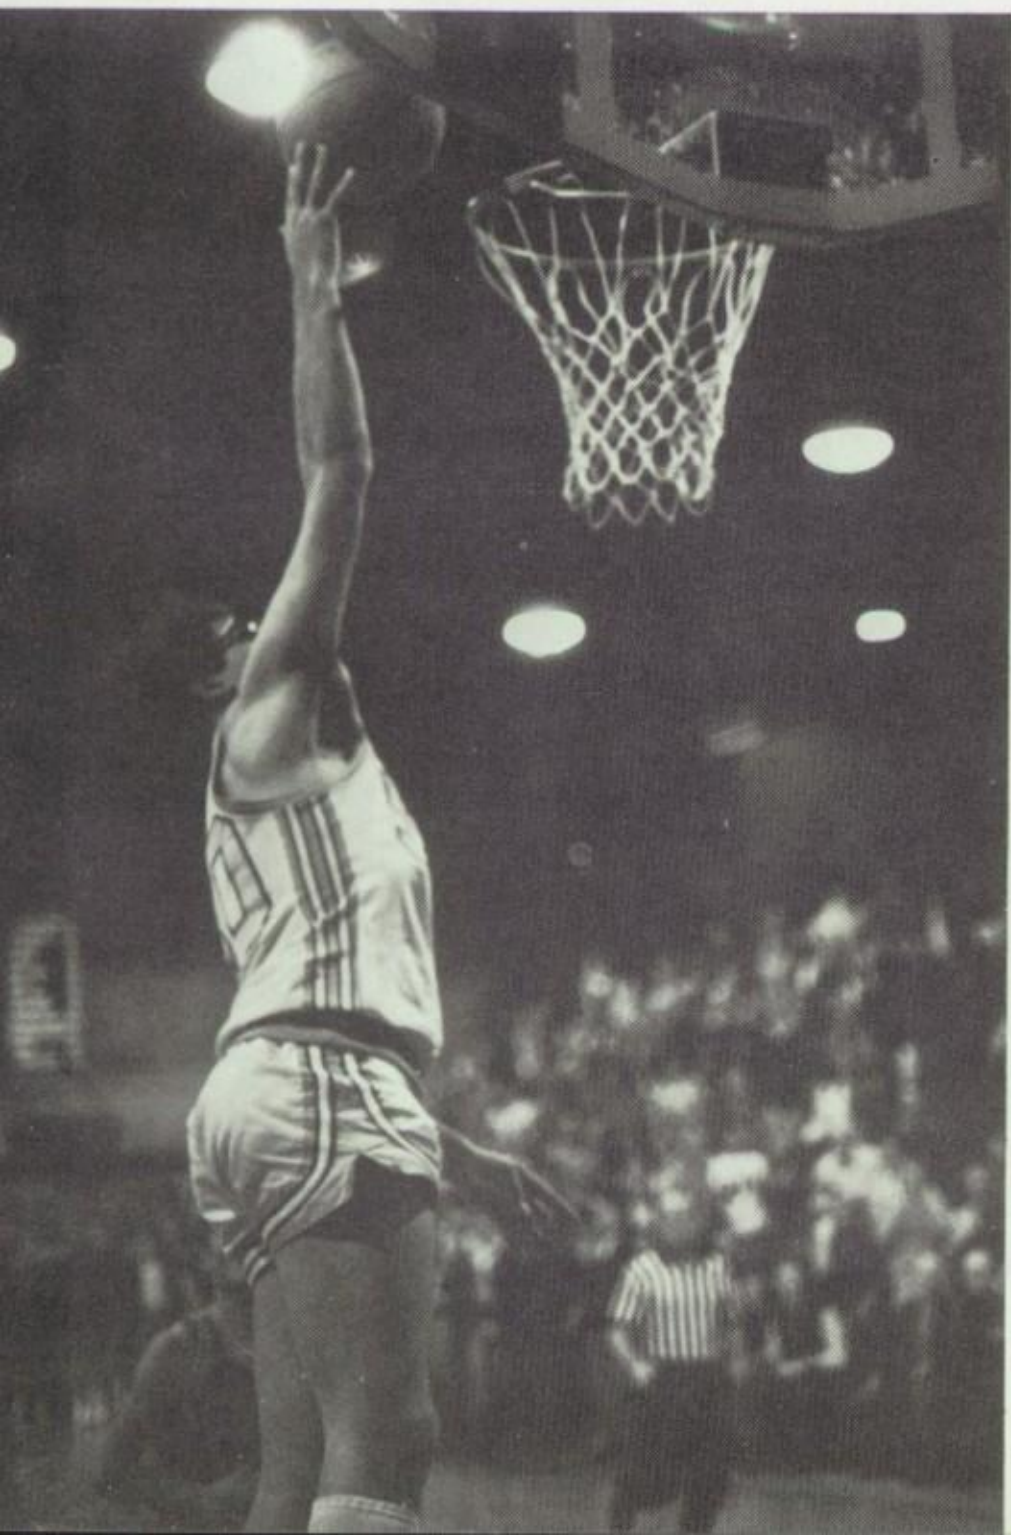

Starting at the top, clockwise, Muskie team members are as follows: Ladd Foster, Rick Breon, Dennis Plummer, John Henderson, Bruce Gantenbein, Tom Flickinger, Rick Sywassink, Harry Waltman, Doug Randleman, Denny Kurriger, Herman

Ferreira, Doug Roelle, Gary Fisher, Scott Ingstad, Head Coach Ed Ware, Mgr. Dave Miller, Coach John Baker, Ron Noll, Harry Koch. Absent, Mgr. Sheldon Bieri.

The Muskies used a sagging man-to-man defense to hold 6'9" Roy Burchette to seven points.

The Muskie basketball team of 68-69 had a mediocre 10-9 season. The Muskies opened the season with four straight wins and were often rated in the top twenty state teams. But, as the season progressed, four straight losses helped to dampen the Muskie chances for a repeated Little Six title. Although the Muskies finished fourth with a 4-6 conference record, their biggest victory was a 73-72 upset of co-champ Bettendorf. The Muskies also defeated two other highly rated ball clubs, Fairfield and Iowa City Regina. When the state tournaments rolled around, the boys of MHS could not cope with the balanced scoring and height advantage of the Davenport Central Blue Devils. The Muskies went down to defeat 61-49.

With a promising group of sophomores and the returning juniors, the 69-70 season should be an even greater success.

With three seconds left in the game, *Dennis Plummer* breaks free for an easy goal to give M.H.S. a one point victory over Fairfield.

SOPHOMORE

Cagers Finish Season with 11—7 Record

Coach Bock makes a substitution for a player who has just fouled out.

Unlike last year's sophomore team, this year's Muskies never put together a real winning streak, although they never had the experience of losing two consecutive games.

Their success was due to their tremendous defense. Most of the year their defensive average was close to fifty-one points a game. The good defensive can be attributed to good board strength provided by Steve Welk and Bill Randleman. They also used "Bock's Special"—a tough 1—3—1 full count press.

TANKERS

Capture 12th Consecutive Little Six Title

Amphibian Muskies emerged victorious with the 7—5 score waterlogged in their favor this season. There was no dampness in their way against a tough wave of competition, finishing sixth in the state tournament at Ames. Poolside fans expect no soggy action on the Muskie scene in the upcoming switch to the Mississippi Valley Conference; Local finmen are already familiar with most of the teams in previous action. The change in conference is expected to be easier for the gill group than most other sports at MHS, and great action is anticipated in the future.

WRESTLERS

Take First in Muscatine Invitational

The grapplers of MHS finished the 1968-1969 season with a dual meet record of 5—6. They did well in some of the tournaments they competed in, winning their own Muscatine Invitational. The wrestlers also finished second in the Fort Madison tournament and third in the conference meet.

Both the junior varsity and sophomore squads were very impressive this year. The J.V. ended 10—1 while the sophs were unbeaten in all 8 of their meets. These records are good indications of the program Coach McNeil has started at the junior highs.

DRAMATICS

Gives Students Knowledge in Theater

Mr. Benedict, dramatics advisor scans a script for a future play.

Muscatine High School's "Village Players" proved to have an immense talent this year. Faculty advisor Mr. Eldon Benedict successfully led his students through many entertaining plays. Members of dramatics also received a well-rounded education in theatre work. Each individual experienced work in areas of acting, make-up, costuming, publicity, properties, sound effects, and student directing.

The public discovered the thrill of a well performed play through the hard work of the students. The plays received compliments from all ages of viewers. Muscatine High School is proud of the "Village Players."

MHS debaters this year argued the problem; Resolved: That the United States Should Establish a Compulsory Service System by All Citizens. Each year there are three propositions to be studied by the members. In January the National Advisory Council announces the topic that will be debated.

The twenty-two members, made up of four Seniors, three Juniors, and fifteen Sophomores, were under the guidance of Miss Litz. They took ten over-night trips and eight Saturday trips to various colleges and many high schools in the area.

Future plans for the debaters are a debate for the school as an optional assembly and a tournament between the junior high debaters and the novice debaters of MHS.

AURORAN NEWS

Provides MHS with a Year Full of Memories

The Auroran News was responsible for publishing a bi-weekly newspaper, under the supervision of Mr. R. D. Sturms. It sold all its advertising and thus became a self-supporting activity. Members were chosen for their writing ability. Reporters were assigned to check "beats" or special activities and reported to their respective editors. Each issue included timely editorials and features that spotlighted certain aspects of school life. Proof-reading was done by the staff before the final copy was printed by a downtown printer. The paper was distributed to all students, teachers, and downtown boosters, and was mailed to various exchange schools.

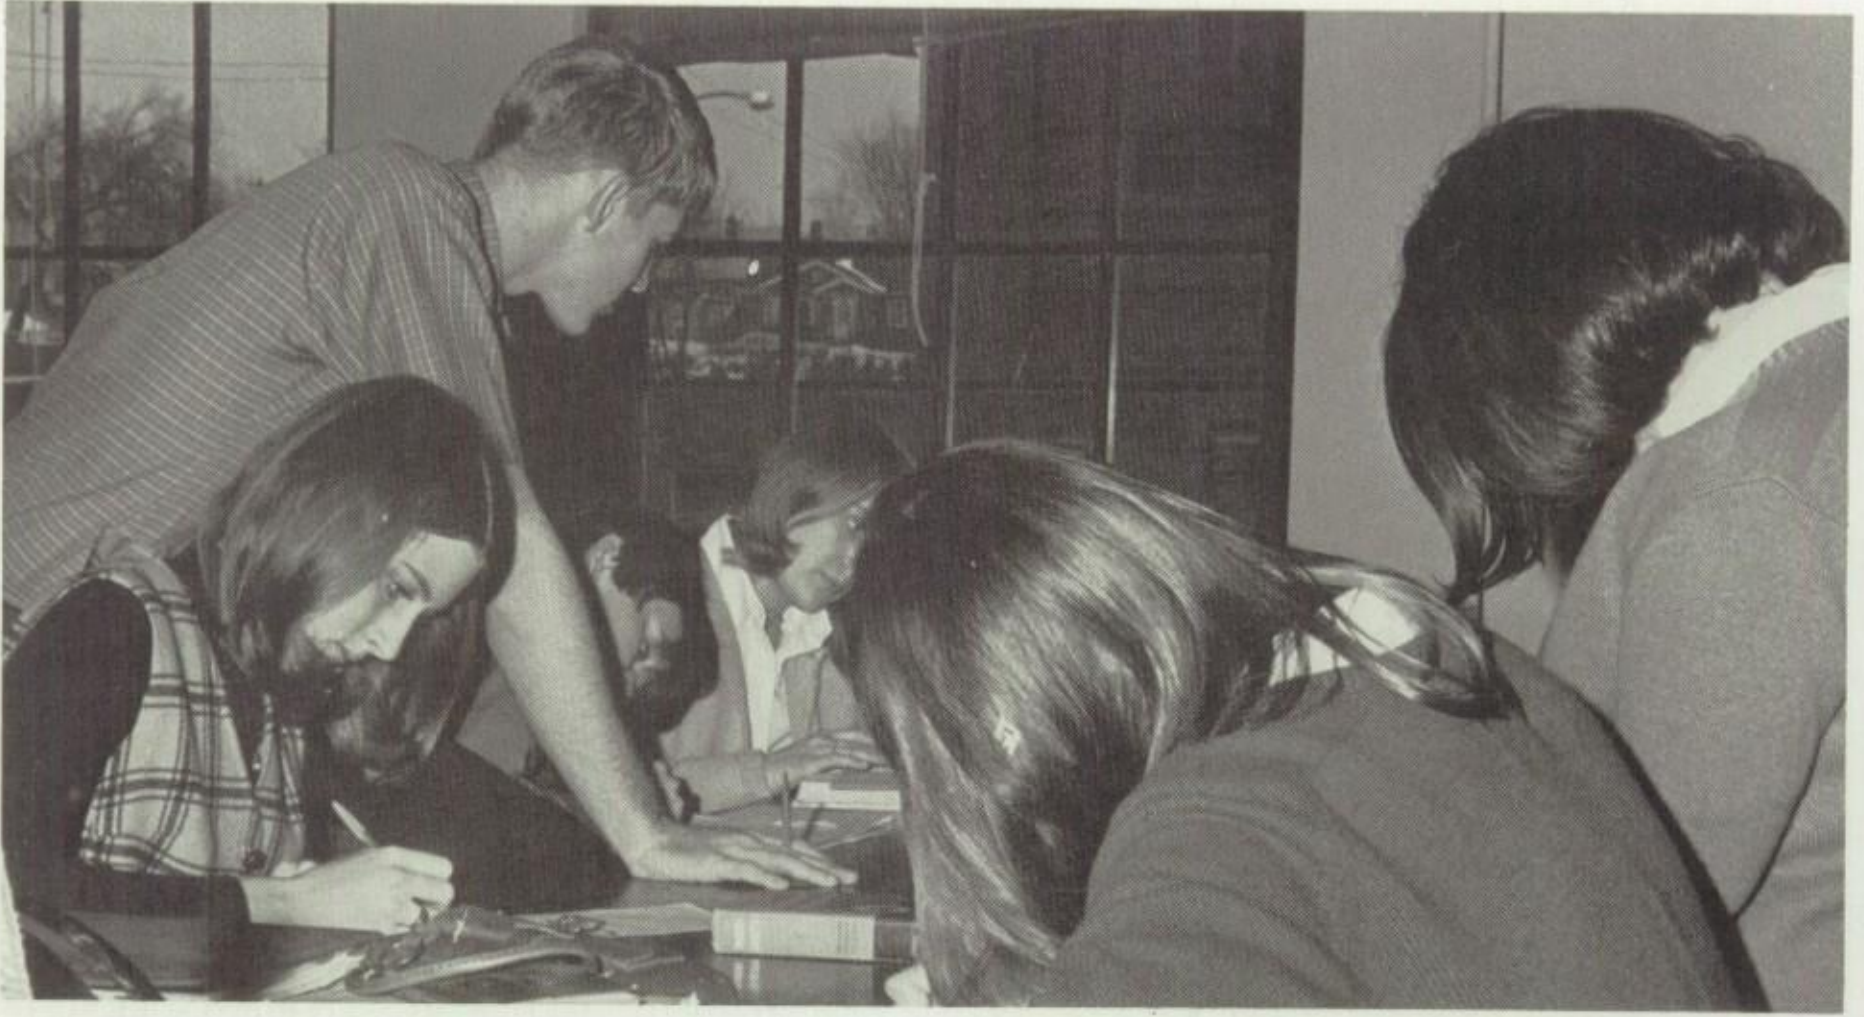

Co-editors *Debbie Cohn* and *Scott Ingstad* unite their ideas.

AURORAN YEARBOOK Initiates Many New Changes in Format of Book

Seniors Mary Malzahn and Cathie Fletcher prepare copy.

One of the hardest jobs involved in preparing a yearbook is advising; a job taken on by Mr. Larry Kemp.

At the end of each school year, the MHS yearbook staff presents the school with another issue of the **AURORAN YEARBOOK**. Each is the product of much hard work and painstaking care.

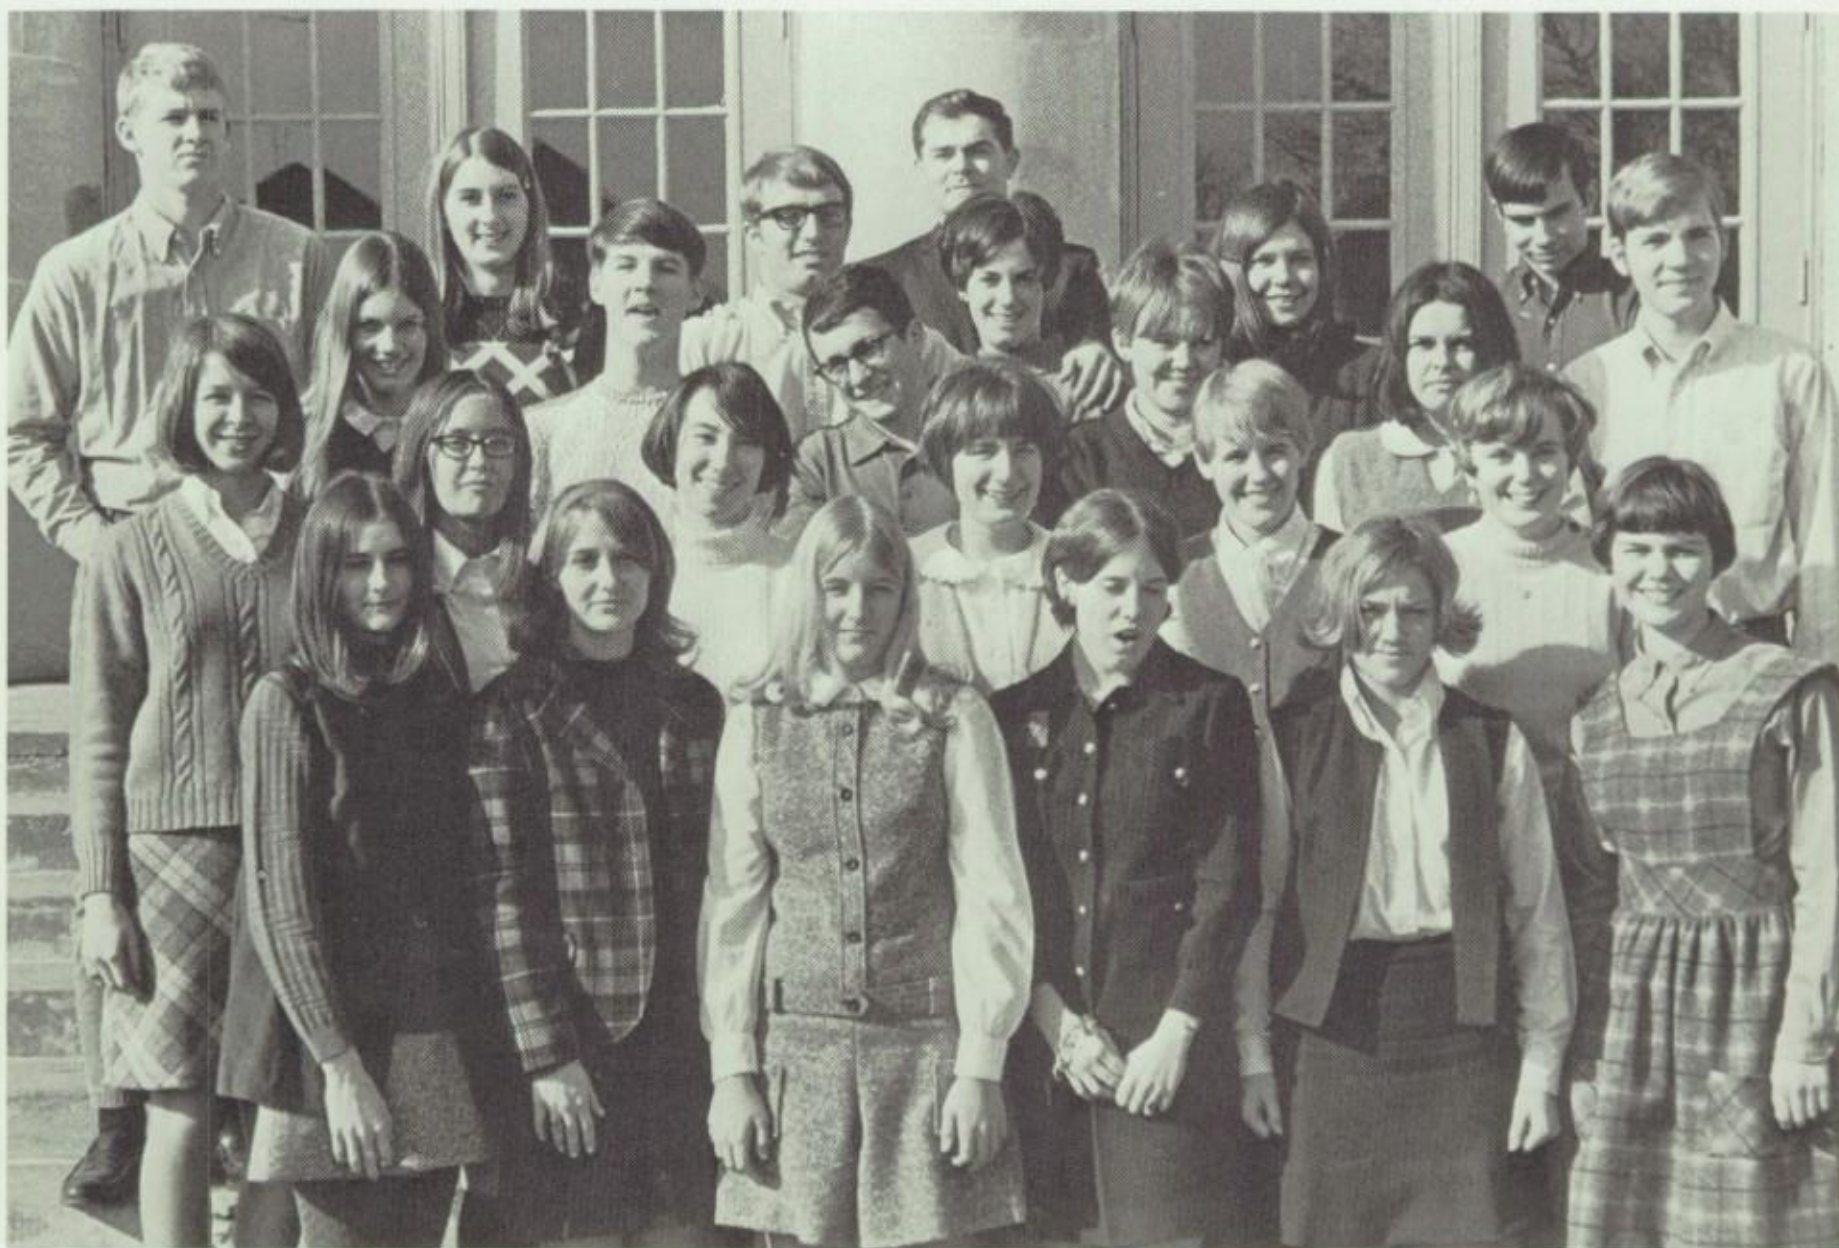

Our purposes in publishing this issue include the following: create a "memory book", tell the history of the year, promote morale, create a book of reference, give educational training to students involved, and build goodwill for the school.

In order to publish this book, various money-making projects were undertaken. Advertising, picture packets, concessions at football games, bake sales and picture sales all contributed to our financial status.

Work on the **AURORAN YEARBOOK** provided much for those involved, from staff members to MHS students.

This year there were eighty-one members, an increase of eight members. The qualifications for membership were being able to play an instrument and having the interest to participate in band. This activity was supported by bake sales and an annual soup supper. Some of the MHS band's many honors, were placing first at the state marching band tournament at Montezuma last fall and having three members make the All-State Band.

Requirements for membership were a willingness to work; an interest in woodworking, painting, lighting, and electronics; and a knowledge of drama and the world of the theatre. The aim of Stage Crew was to create an opportunity for vocational interest in the theatrical design and to inform the students that the theatre is composed of more than just actors upon a stage.

CHORUSES

Perform for the Enjoyment of the Community

Ninety-five Juniors and Seniors made up A Capella Choir. Members took a trip to Knoxville, Iowa, to sing at Veteran's Hospital. Their robes are gold with purple accessories.

The purpose of the sophomore choir was to train the one hundred members to read music. It also served as a stepping stone to A Capella.

Sophomore, junior, and senior girls made up the Girl's Glee Club. They, too, learned to read music.

The three choirs, directed by Mr. Ash, were the largest ever. They gave Christmas, Pop, and Spring concerts, a student written musical, and thirty smaller concerts to the community.

The main goal of the Physical Fitness Club was to improve coordination and achieve an ideal weight. This was accomplished by exercising regularly. Meetings were held every Thursday evening from 6:30 until 8:00 in the wrestling room. The advisor of P.F.C.'s was Mrs. Stroup.

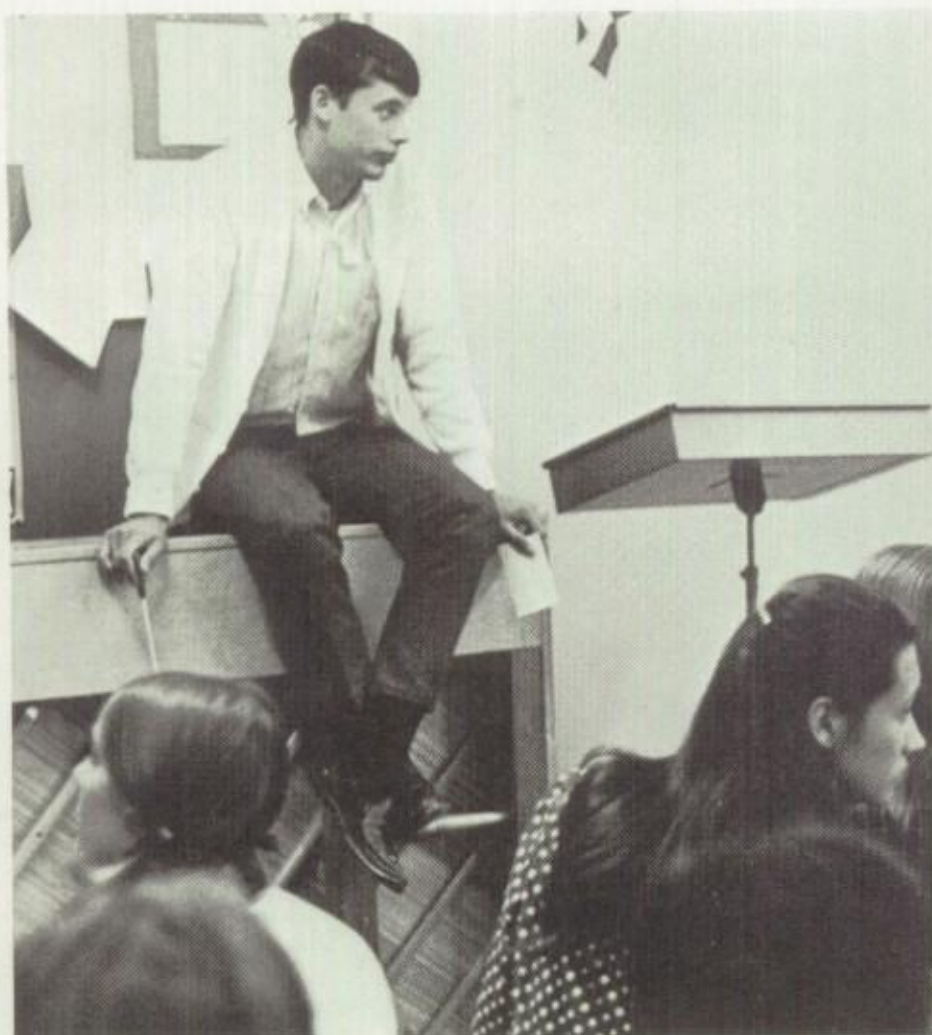

Fourth period monitors limited noise in the halls, enforced the dress code, and made sure food was kept in the cafeteria. This organization was under the direction of Mr. Bock.

The P.F.C.'s hold a bake sale to earn money.

This year Student Council ran smoothly under the direction of Mr. Robert Herwig, advisor, and Scott Ingstad, president.

The purpose of Student Council was to promote leadership and to represent the different classes and activities at M.H.S.

An unusual number of new plans were put into operation this fall. For the first time the National Honor Society was able to sit in on meetings. Homeroom representatives were elected to attend meetings as non-voting members and to report happenings back to their homerooms. Student Council members acted as monitors during their study halls. Their job was to welcome visitors and to check student's passes.

Besides sponsoring Homecoming, Parents Night, and dances, the Council also sold class buttons. These helped develop pride and unity among the different classes.

The language clubs, under the advisements of Mrs. Hirko, French Club; Mrs. Kissell, German Club; and Miss Krauel, Spanish Club; had several interesting and enjoyable projects this year. These included visiting places of interest, performing plays, Christmas caroling, and selling candy and baked goods. The three clubs also held an olympics among themselves and a banquet in the spring.

Each club, organized by the students, met every other week and each included about fifty active members from the language classes. Their purpose: to further the clubs' knowledge of the culture and civilization of the countries each studied.

Amicae Y-Teens, under the direction of Ruth Webb, was an organization interested in learning about and understanding people of all races, religions, and nationalities. The Junior Varsity also traveled, but to a clinic in Cedar Falls. "What Makes a Good Cheerleader" was the theme of the one day meeting.

POM-POM Girls Perform at MHS Games

With the help of Mrs. Stroup, the Pom-Pom girls designed new uniforms this year. The uniforms are unique because they are all purple and gold.

The Pom-Pom girls make up the routines which they perform at football and basketball games. At the beginning of games and at pep rallies, the girls perform the "Fight Song".

The Pom-Pom girls entertain for community projects. This year they performed at the annual Y.W.C.A. meeting.

At the spring try-outs, five faculty members judge the girls on their performance in the "Fight Song" and a group routine. Eight girls plus three alternates are chosen.

PEP CLUB

Boosts School Spirit at MHS with Signs

The purpose of Pep Club was to promote school spirit. The club met every Tuesday unless there was a game that night. All members were supposed to attend all athletic events and make signs for them.

The club sold buttons, held bake sales, and sponsored the "Turkey Gobbler" dance to make money to buy new uniforms for the cheerleaders and pom-pom girls.

The president of Pep Club was Elouise Beechum; vice-president, Beth Ratcliff; secretary, Diane Cooney; and treasurer, Mary Rankins.

PREP 1

Dr. John Fields supervises the enforcement of school policy.

On July 1 Dr. John F. Fields became the new superintendent of the Muscatine school system. Dr. Fields and his assistant, Mr. Fred Messenger, set up new offices on the Lutheran Home grounds.

As executive officer of the Board of Education, Dr. John Fields was responsible for the enforcement of school policies. With the help of the seven member Board, plans were made for future school expansion and updated curriculum changes.

Board President F. Devere Newberry directed the efforts of the School Board toward one goal—to give each student a thorough education designed to prepare him for the future.

DUANE S. GIVEN Continues to Set

A very busy man at Muscatine High School this year was Principal Duane S. Given. He was always involved in all the aspects of Muskie life. Mr. Given could often be seen in the classroom. There he listened intently to the views of the students. Principal Given gave school spirit a tremendous boost this year. Whether he was promoting school spirit at an assembly or yelling at a football game, it was evident that he was a true Muskie. The activities were a major concern of Mr. Given. Every accomplishment of the activities was brought to the attention of the school through commendations over the intercom. The student body was proud of their new principal in every respect.

Mr. Given has a friendly chat with the guides at Parents' Night.

Assistant Principal Mr. Robert Herwig discusses a student council suggestion with the School Board.

Forth Many New Ideas at Muskie High

The administrative assistant and activity director for the 1968-1969 year was Mr. L. A. Schnack. A familiar face to everyone, Mr. Schnack supervised the thirty-one extracurricular activities. He was also in charge of scheduling all of the athletic activities for the various sports.

Mr. Robert Herwig was the assistant principal for the 68-69 year. All of the attendance procedures and discipline problems were taken care of by Mr. Herwig. The data processing schedules were also one of his duties.

Mr. Schnack and Mr. Herwig worked with Mr. Given to solve classroom problems.

Mr. L. A. Schnack keeps a record of all the activities at MHS.

GUIDANCE

Promotes Understanding within the School

Miss Eula Downer prepares the college transcripts for the seniors.

Service was the key word of the Muskie guidance department. These services took form in college representatives and counseling.

Individual and group counseling helped student efficiency by aiding them with personal problems. Miss Downer was the senior representative. The junior counselor was Mr. Schiltz. Sophomores took their problems to Mrs. Jutte.

The counselors also introduced the students to career opportunities. Vocational information was available in the offices.

Of special interest to the seniors were the college representatives. Each representative brought information as well as answers to many questions.

Mr. Loras Schiltz explains the counseling services.

A vocational file is prepared by Mrs. Martha Jutte.

FINE ARTS

Chorus, under the direction of Mr. Robert Ash, had new robes this year. Band was under the direction of Mr. Larry Hintz and provided concerts and also music for athletic events. Sculpture, drawing, painting, and printing were included in Art I and Art II taught by Mrs. Mickie Gilson. Speech, the aspects of communications, was taught by Miss Virginia Litz.

Mr. James Cerney teaches chemistry and physics.

Mr. Ronald Kiser shares the BSCS biology instruction.

SCIENCE

Encourages Muskie Students to Think

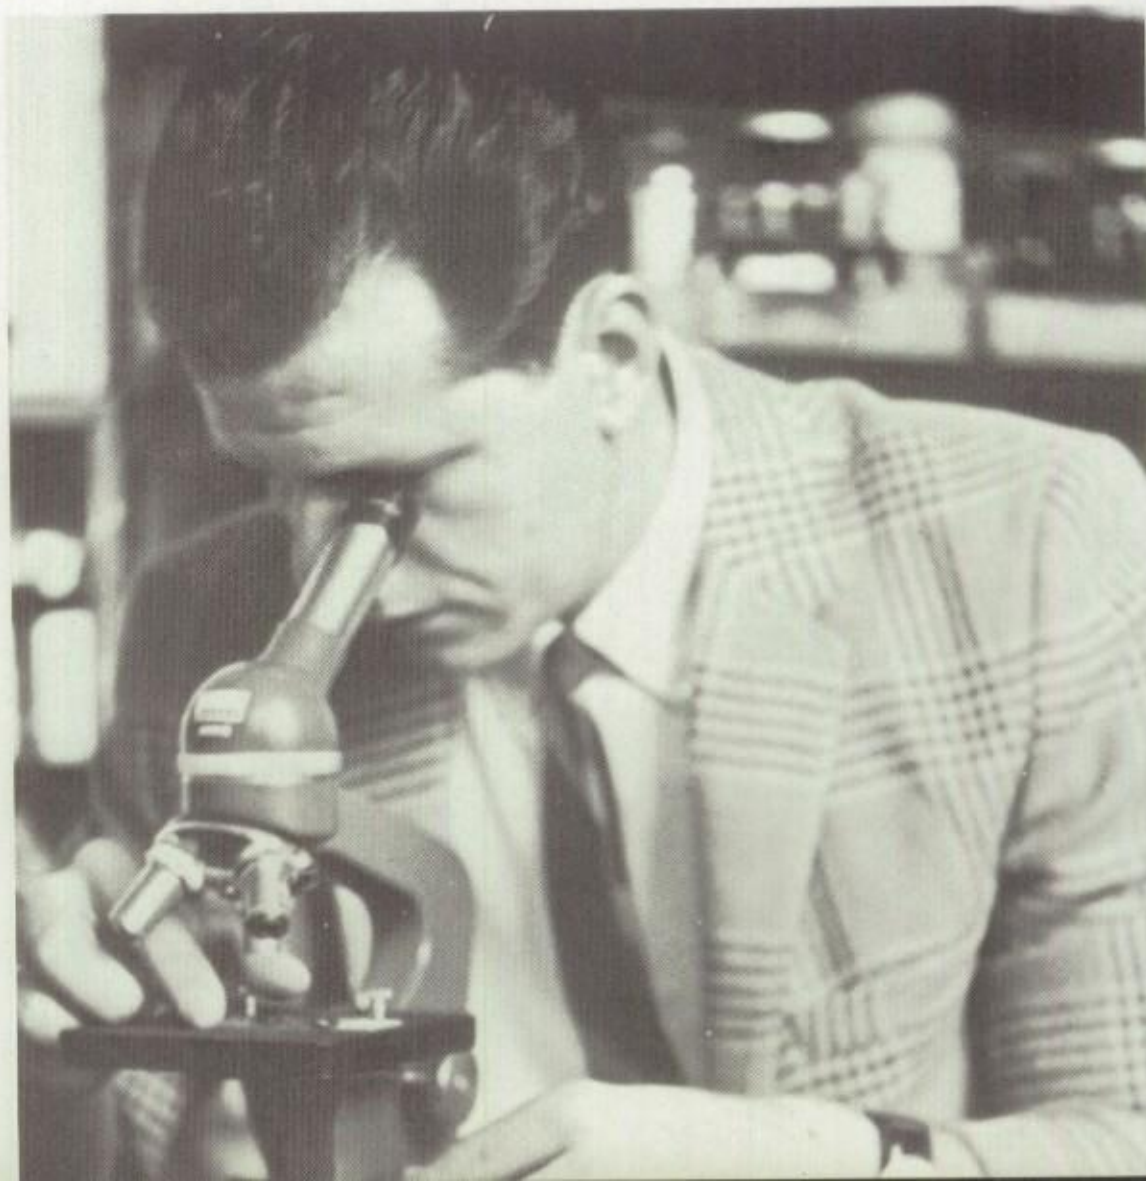

Students were offered a solid science foundation through BSCS biology, chemistry, and physics. The science courses were designed to challenge all of the students enrolled in them.

BSCS biology studied genetics, biochemistry, evolution, zoology, and botany. The basic study of the substances was dealt with in chemistry. The physics classes challenged the student in areas of mechanics, electricity, and magnetism.

All science courses were aided by the addition of a new microprojector and stereoscopic microscopes.

Science projects were offered to the MHS science students through the Annual Science Fair.

Mr. R. L. Casini views slides used in his BSCS biology classes.

A wide range of mathematics courses was offered to satisfy the varied interests of the students. General Math II and III reviewed and strengthened the basic principles of arithmetic. Business arithmetic related these principles to the requirements of the business world. Algebra I and II covered the basic fundamentals of the real number system and introduced the complex number system. The students developed their ability to reason and work with systematic proofs in geometry. Advanced mathematics introduced the student to units such as trigonometry, calculus, and statistics.

Mr. Donald Ricklefs prepares an algebra quiz.

Mrs. Nancy Petersen teaches math.

MATHEMATICS for All Muskies

Mr. Dennis Van Roekel (above) and Mr. Rober Lick (below) teach various math classes.

Ten-key and full keyboard adding machines and calculators were added as new teaching aids to the business education department.

Mr. Ronald Sturms does research for his business law classes.

Mr. Larry Kemp always has time to answer an American history student's question.

The world history classes traced man from the dawn of civilization to the present time.

The world history classes traced man from the dawn of civilization to the present time. The American aspects of these developments were discussed in American history. Both of these courses traced the development of man and his societies for a greater insight into the past.

A background of political and economic institutions was highlighted in civics and economics. Trips were taken to the court house to participate in an MHS election. Sociology students examined human groups and their place in today's society.

Mr. Robert Hanson grades the American history reports.

Mr. John Bready plans his world history lectures.

Through conversations in class, French I students became adept in the language. Compositions were written in French III and IV.

German I utilized the tapes to become proficient in speaking German. In German II grammar usage was developed.

This year added interest was found in the newly initiated language clubs.

IN MEMORIAM

Larry Rick and Jacqueline Rockey

Muscatine High School was saddened by the sudden death of two members of the student body this past year. Jacqueline Rockey died March 2, 1969, from injuries sustained in an automobile accident. Jackie was born November 29, 1951, and moved to Muscatine three years ago. This was her third year at M.H.S.

A motorcycle accident took the life of Larry Rick November 20, 1968. Larry was born December 21, 1951. He was a junior this year and active in wrestling. Because of his participation in this sport, there is now a Larry Rick Memorial Trophy, given in his honor.

A yearbook is more than the work of the co-editors. It is the life and breath of months of planning and work by a devoted staff. The thank you's during the year were a small reward for an incomparable staff which helped the 1969 Auran through major and minor crises. Whether the staff was writing copy, delivering messages, or planning layouts, the job was always done to the satisfaction of the "particular" editors. Another year has ended. Another Auran Yearbook has been completed. The spotlight is now on the 1970 Auran staff. Thank you, 1969 staff, for making our spotlight just a little brighter.

DEDICATION
Mr. Larry D. Kemp

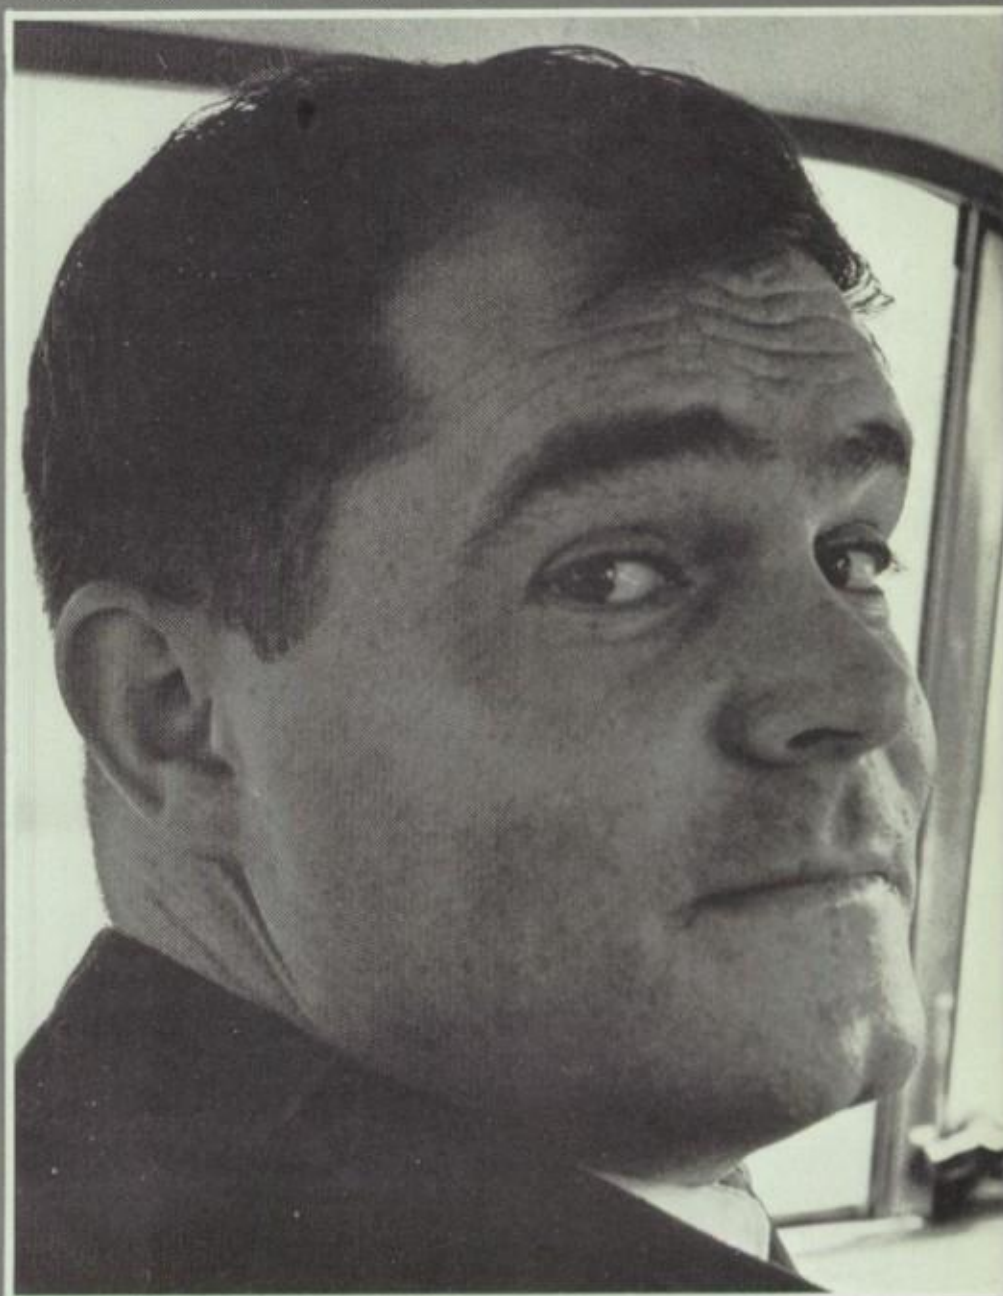

The Auroran Yearbook staff wanted to express their gratitude to Mr. Larry D. Kemp, our advisor. The least that we could do was dedicate the 1969 Auroran to him. Throughout the year Mr. Kemp showed a never-ceasing interest in the work of the staff. He always had time to help us with last minute checks before our deadlines. His deep concern with the final outcome of the year's work was always evident. Many extra hours were spent on publication work. Mr. Kemp attended several work shops so that he could better serve the staff. He furthered his knowledge of yearbook work by continually reading books that furnished us with many valuable ideas. Without his support, we would have been unable to change many of the "old traditions" that were evident in past Aurorans. Mr. Kemp felt that change was a good idea. This is a necessary requirement in yearbook work.

Not only was Mr. Kemp our yearbook advisor, but he was also an instructor of American history. The time that he spent on the yearbook in no way hindered his class teaching. All of his students could say that he instilled in them the fundamentals of our American culture.

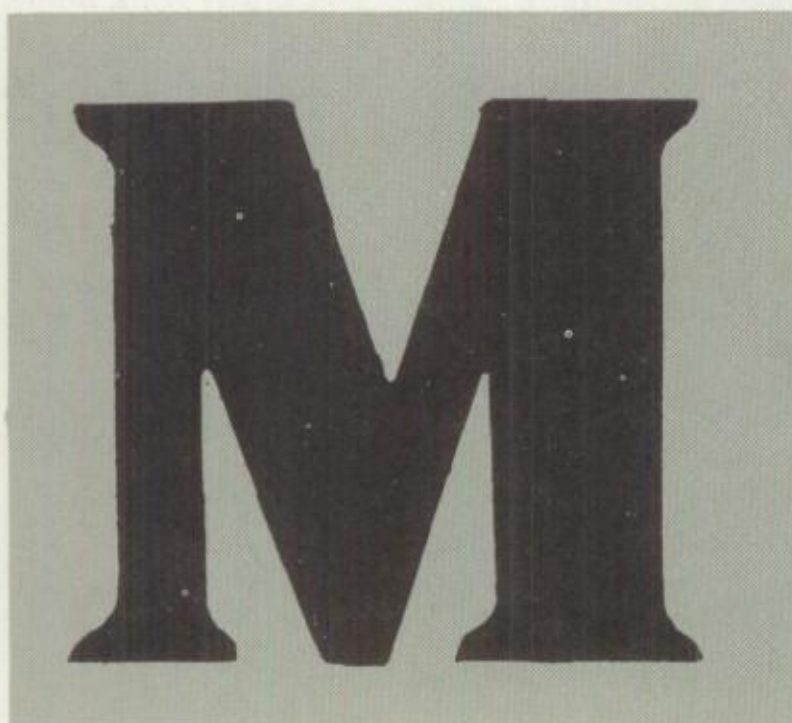

But most of all, Mr. Kemp was a friend to all. No person was unimportant in the eyes of Mr. Kemp. He spent many hours just talking to students. In the morning and between classes you could hear his friendly "hi." As a junior class advisor, he helped plan the Junior-Senior Prom activities.

This is your yearbook Mr. Kemp. Without you it would have been hard to publish the 1969 Auroran. Thank you.

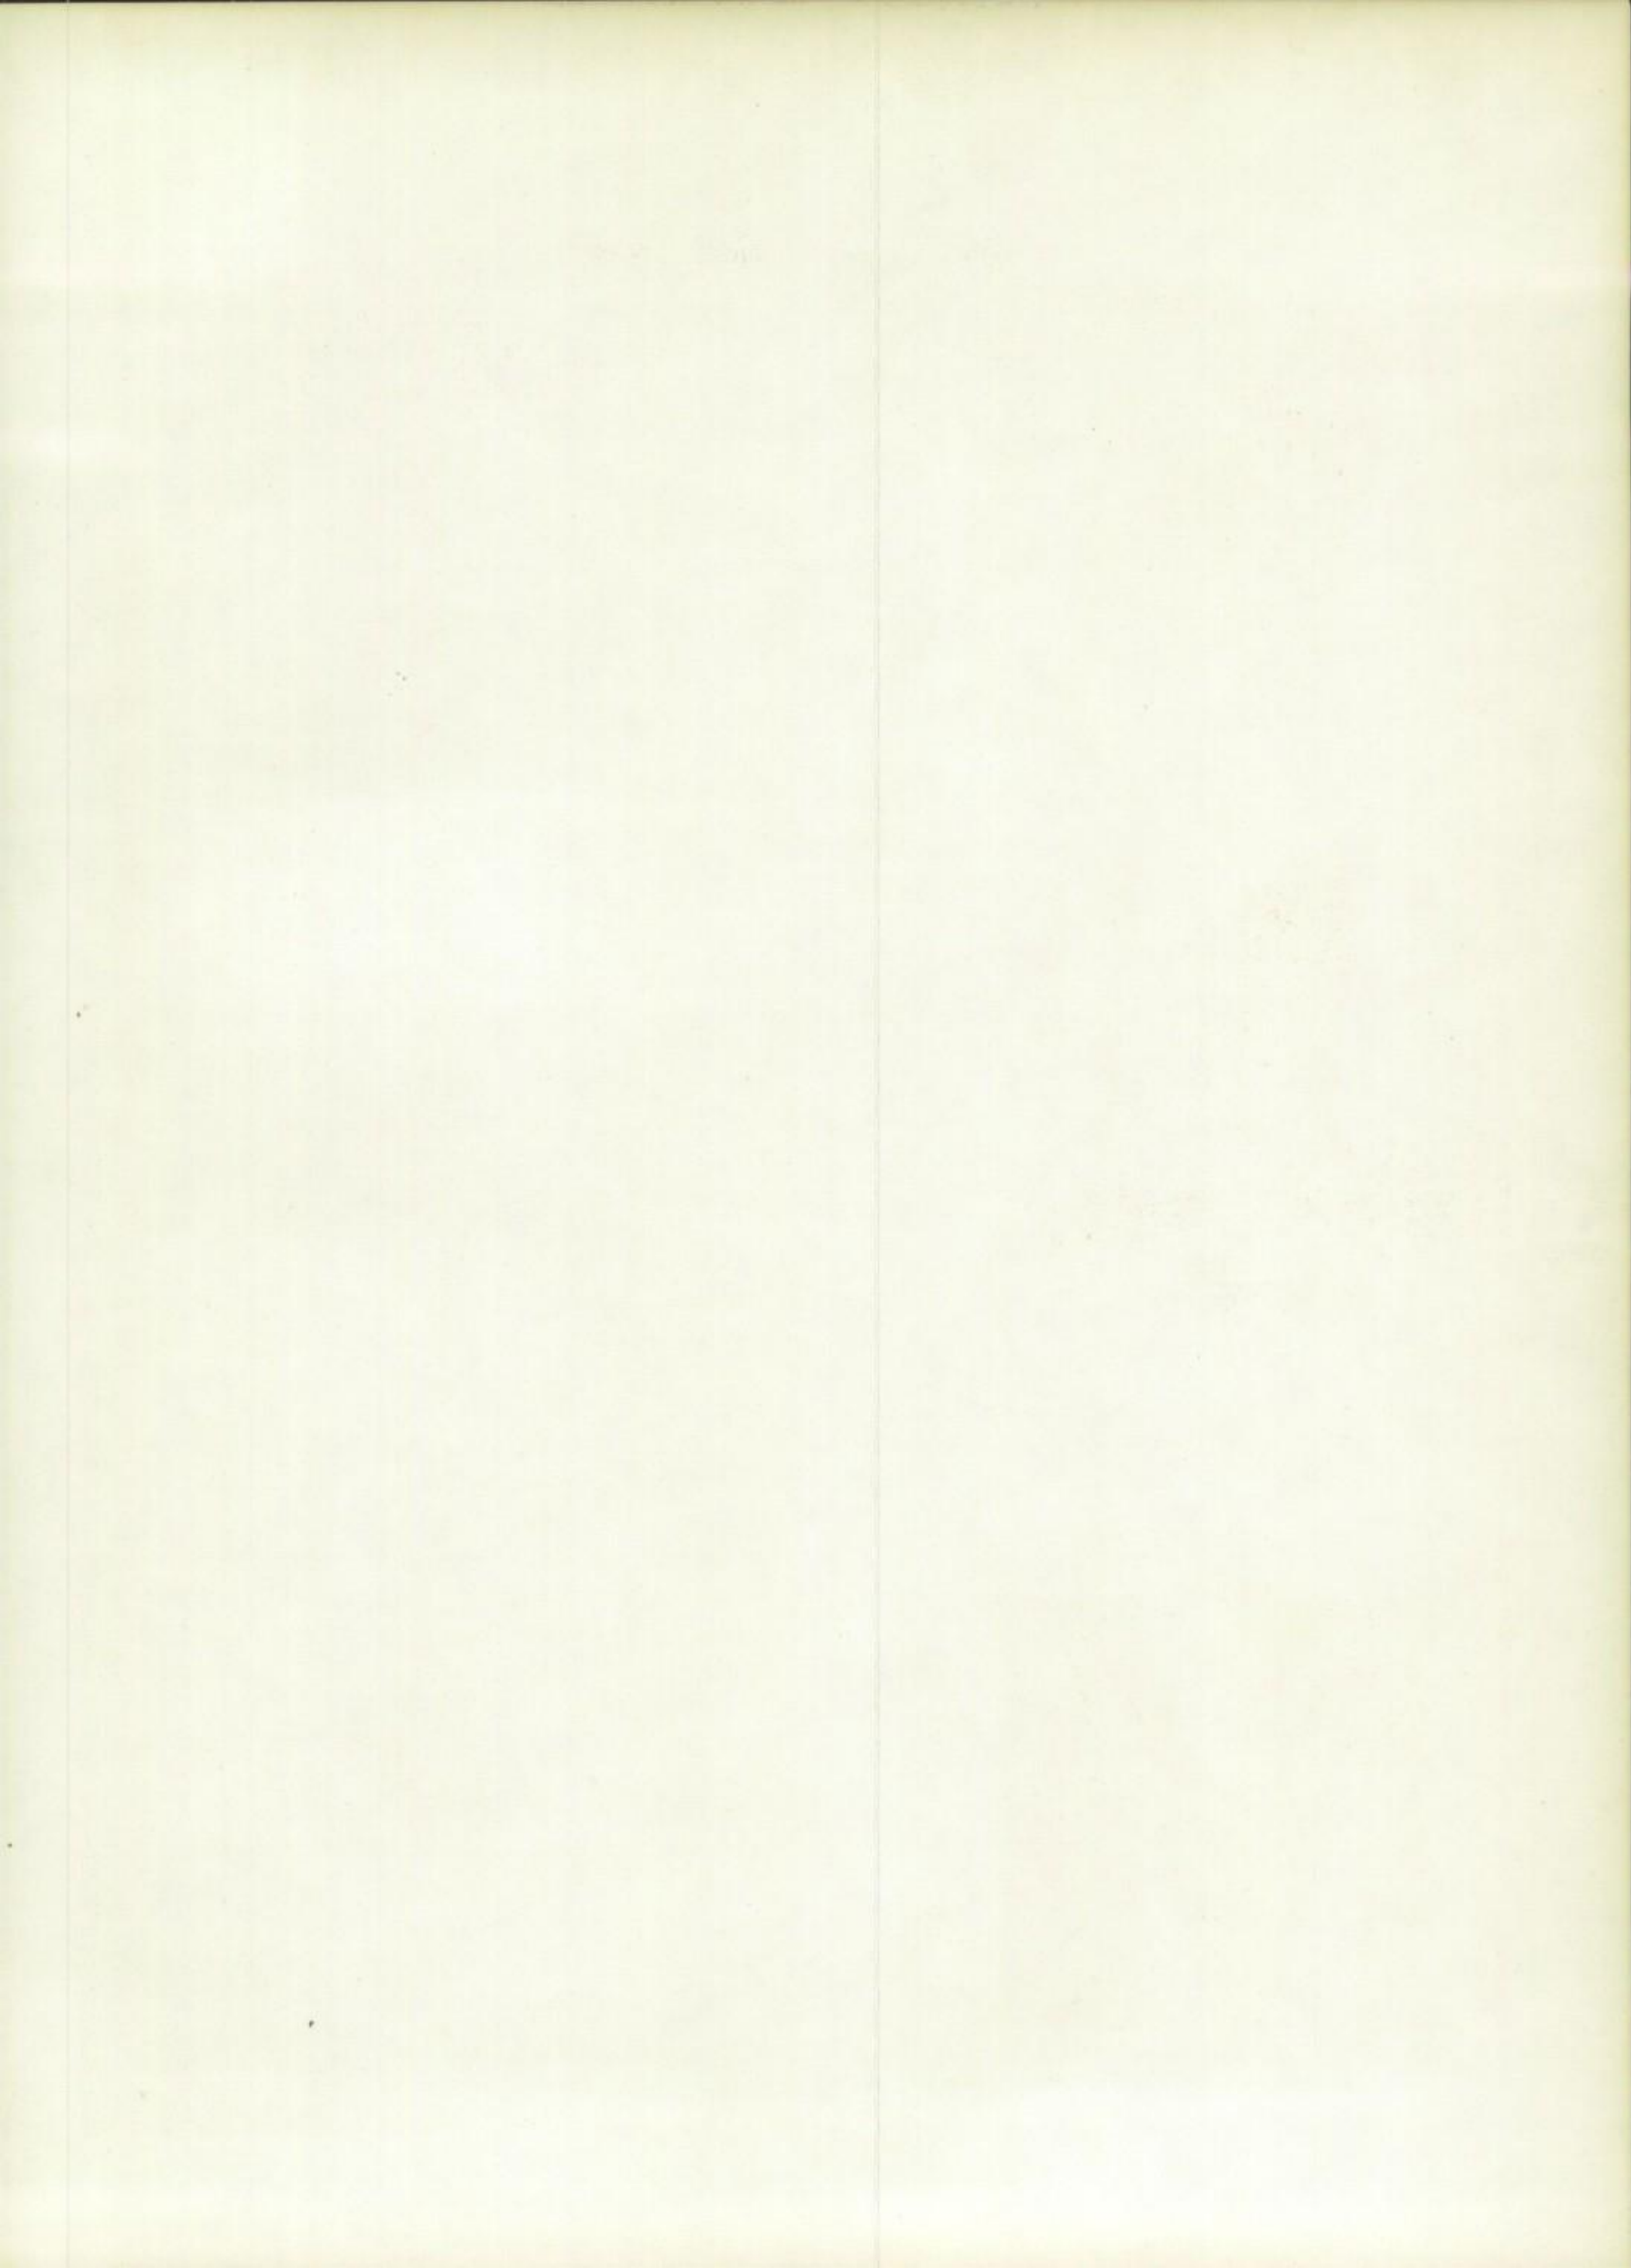

Photographers Brian Flynn, Tim Temple, and Bernie Bryan, top, bid farewell to the *Auroran Yearbook*.

The 1969 *Auroran* staff met its last deadline with a sigh of relief. Without the help and understanding of many people, we could not have met any of our deadlines. The interest of Mr. Given and the MHS faculty helped us to overcome numerous difficulties. A special thanks goes to Mr. L. A. Schnack who helped us overcome our financial difficulties. Without the enthusiasm of the student body our efforts would have been useless. The American Yearbook Company consultants, Dolores Browers, Fred Stoeker, and Carolyn McQueen, became our close friends. Through their consultation and full-fledged interest, we learned what friends were really for. The extra interest that they showed helped us to create one of the best yearbooks that MHS has ever had. Our cover design and handlettering of our theme and section titles for divider pages were done by Lincoln Stanley. The senior pictures were taken by Helen Bamford, Colonial, and Carstensen Studios. Our thanks go to Mike Bendle of Colonial Studio for our color photography. Colonial Studio and Helen Bamford Studio provided many of our special group pictures. Without the assistance of WOC-TV we would have been unable to provide our current events page. A familiar face around the darkrooms was Chad Rehwaldt who provided photographic assistance. Our thanks go to all of these photographers who helped us through the crisis of a deadline: Brian Flynn, Bernie Bryan, Tim Temple, Alex Nesterenko, Harold Blake, and Jan Griesenbrock. And last, but not least, thank you Mr. Kemp. He contended with the ups and downs of the staff throughout the year, and he had only praise for our work. He was always a helping hand whenever we needed it.

It is easy to say "thank you," but it is harder to convey what we really mean. Thank you's are inadequate from a yearbook staff.
